you have to know
i can't make you famous.
there is no magic bullet.

success is hard work and hustle.

but.

i can tell you what i know.
i can take a good, hard look at what you know.
and do my best to
fill
in
the
gaps.

the whole thing is half about me, and half about you, where you
want to go, and how to set you in motion to get there.

the knitty gritty

- portfolio/branding review
- post processing
- My approach to each type of session
- the ins and outs of client interaction
- finding the light.
- basic work flow from booking clients to delivering the final product.
- strategic portfolio building to attract your ideal client.
- branding, branding, branding.
- you do have the option to shape your own topics, including film, if you so wish.

but there is a lot more.

My goal is to help
you identify what is
meaningful to you,
what makes your heart
sing as a shooter
and how to build what
you do with photography
around YOUR strengths.
