

Volunteer Planting

Ours to Enjoy. Ours to Protect.

Friends of New Garden Trails needs your support to help improve the water quality of the White Clay Creek! Learn more about the benefits of native plants and how they help to protect our drinking water from polluted run off and get a sneak peek of the new Landenberg Junction Trailhead!

Saturday, September 13 9AM - 1PM

(Rain Date: Tuesday, Sept. 16, 9am - 1pm)
