

**What is the
best tool for
your garden?**

A Rain Barrel!

Camels Hump Rain Barrels will be offering rain barrels for the discounted price of **\$75 each** at the White Clay Creek Fest on May 2nd.

Our barrels are created from recycled olive barrels and include:

- a fully screened lid to prevent insects and debris from entering your barrel
- two overflow ports to allow you to better control excess water
- a spigot to allow easy filling of a watering can as well as a bottom drain threaded for a garden hose to enable you to get the most out of your barrel.
- Each barrel is 220 litres or nearly 55 gallons and will be full after a quarter inch of rain when hooked up to a downspout

For more information please visit
www.camelshumprainbarrels.com

Possibly interested in purchasing a barrel during the festival? Please email us at camelshumprainbarrels@hotmail.com and let us know! This will not obligate you to purchase a barrel and will also not guarantee availability but will allow us to plan how much inventory we bring to help assure anyone who is interested can get one.
