What is JDX?

JDX (Jesus Discipleship Experience) is a mobile discipleship program and a condensed presentation of the disciple making values that All Nations teaches in CPX, a longer Church Planting training. This intensive discipleship training is taking place all over the world.

Over the two days, topics Include:

- Starting Spiritual Conversations and Sharing the Gospel
- Finding People of Peace
- Intentional Reproductive Disciple Making
- Starting Discovery Groups
- Transitioning Groups to Simple Churches
- Movements to Jesus

Primary Audience/Focus: Christians and church leaders ready and willing to take risks, change things where needed and make disciples in new ways! Particularly geared toward those with a slight "holy frustration" to do something radical for Jesus!
