The Good Egg Guide for a #traffikfreeEaster

Much of the chocolate that finds its way into our shops and homes is made with cocoa from Cote d’Ivoire plantations that use trafficked children. They are kidnapped or their families are tricked, forced to work in the cocoa plantations from an early age, for long hours, in dangerous working conditions, without any possibility of attending school.

A global movement has begun to change this. The movement tackles poverty and empowers producers who are doing the right thing. Farmers operating with Fairtrade Certification, Rainforest Alliance or UTZ Certified are engaging in good labour practices. Join the movement this Easter. Choose certified #traffikfree chocolate, support the farmers and STOP THE TRAFFIK.

Our activists often have difficulty purchasing #traffikfree chocolate. We are grateful for stores increasing their range, but we still have difficulties purchasing labelled Easter products. This year we are urging stores to release a timetabled plan to STOP THE TRAFFIK to achieve 100% of the Easter products they stock being certified and labelled, by 2020¹.

NOTE:
This list is as accurate as possible at the time of publishing. We have contacted all the suppliers we have certified Easter products available. Not all responded. If you know of other suppliers or if you are a supplier and wish to be included, please email australia@stopthetraffik.com.au. Nestle, Rainforest Alliance, Cadbury and Target have informed us that they do not have certified Easter products.
