This Week's Question

When the people of Israel were in the wilderness, God caused Manna (Bread) to appear on the ground. Moses told them to gather as much as they needed to feed their families and not to leave any behind. But they disobeyed Moses and left some on the ground until morning. **What happened?**

NEW WEBSITE UP AND RUNNING!

As of today, our new website goes live.

The address is below so click on and see what you think about the new look and content. It is a fully working site, but it is not the finished article. One of the great advantages of this new platform is the ease with which it can be modified. This is our starting point, but we intend to continue tinkering with the feel of it and so welcome any feedback from you.

In reality, the idea is that the website will rarely be static, but changing regularly to communicate all sorts of information. The hope is that you visit it regularly to see what's going on in the life of the church and find out about forthcoming events – you could even set it as your homepage.

You'll have also noticed a change to our weekly news sheet. This reflects the style of the website and we will roll out this appearance across other areas of our publicity, such as noticeboards, welcome cards, etc.

A BIG WELCOME TO DAISY & FAMILY

A really warm welcome to Anthony & Claire and all little Daisy's supporters, as she comes to be baptized this morning. We hope you feel at home and enjoy this special occasion together.

Equally, if this is your first time here, we are delighted to see you. If you can, do stay for a drink after the service. If you would like to know more about our church life, complete one of our welcome cards.

THE BEACON CENTRE

It's not too late to grab a questionnaire about possible developments for the Beacon Center. There are copies at the back of church and it is available to download on the church website. If you have any questions, then please ask Lorna Carey.

BISHOP OF SOUTHWARK'S LENT CALL 2014

The diocese is now taking suggestions for any charities to be considered for the above. One dimension of the Lent Call is to support

the work of a project within the Southwark Diocese. If you know of a charity that has such a connection and would benefit from some financial support and publicity then please ask Jon for further details about applications.
