This Week's Question

The Lord told Isaiah to tell Hezekiah that he would be healed and would get out of his bed and go up to the temple in three days and his life would be extended. Hezekiah was dubious and asked if he could have a sign that he would really be healed and go up to the temple, So Isaiah gave him two options.

What were they and which one did Hezekiah accept?

Nick Lang writes on Spiritual Gifts...

"Preparing to preach soon at Pentecost, Jon recently showed me a self-assessment test on "spiritual gifts". It's a simple paper and includes a quick response test. The idea is to score yourself and see what your predominant giftings might be. I did the test myself and was surprised how accurate it seemed. It's far from perfect or comprehensive, but it was quite revealing. Maureen did it too and hers came out just as accurate and it certainly gave us some stuff to talk about. So, if anyone else wants to have a go, Margaret has the paper in the church office. She'll be glad to e mail it to you, or give you a hard copy if you don't have a computer. If you decide to give it a go, you will probably get most out of it if you chat to someone about your results. That could be done in home groups, over coffee with a friend, or simply with your partner. Equally, Jon and I would be delighted to hear from you too."
