THE FUTURE OF THE BEACON CENTRE

A fair bit of our focus in the last few weeks has been on the nomination of leaders to the teams we are looking to develop. We don't want you to be under the impression that the other topic, which was under discussion when we met in the Assembly Rooms, has fallen by the wayside.

The small group assigned to consider the future of the Beacon Centre has continued to meet and work through future possibilities. Included with this week's News Sheet is a summary of where we currently stand and some things for you all to consider and provide feedback on. There is also a write-up of what a new look centre might feel like; this is not a blueprint of what the place will be, but simply a written sketch to spark the imagination.

The small group will continue to work up what different expressions of the centre might entail for us as a church – for our human resources, financially, legally, etc. We do know that this is a venture which will require broad support from the church in order to be a success. So can I encourage you to give it close attention and provide your prayerful thoughts. Thank you. Jon.

14+ BBQ

To celebrate the last 14 plus with Jonny and Charlotte (and of course the amazing Louise and Warrick!) we are having a BBQ on Thursday 17th July. This is open to anyone who has been to 14plus in the past 8 years - please pass the message on. Normal time 7.30 - 9.30 at Twinkle Towers!

CYCLING TO PARIS!

Commencing on 17th September Jim Walters will be cycling from London to Paris to raise funds for the Rainbow Trust. If you would like to donate to this excellent charity please visit <http://www.justgiving.com/James-Walters3>.

THANK YOU

From our sitting room window we often marvelled at the breath taking views we have over West Wickham with the sun rising and setting on a stone and flint

church set high on a hill surrounded by green fields. We have attended St John's for the past 8 weeks during my holiday from Perth, West Australia and after being so warmly welcomed in to such a wonderful congregation I can now return home today with the great comfort and confidence that my precious mother is now part of such a caring parish. Now that church in the glorious view from our window is a part of her life...

Thank you all at St John's.
Shelley and Frances Tamsitt

TABLES

We are missing 2 5ft folding tables, with a mottled grey top, from the church. These are really useful for Friends and Heroes, and the youth camps. (Spree, Soul Survivor and Momentum) If you have borrowed them, could you contact Jonathan Tickner today on 0777 4422 120.

If you wish to borrow things from the church, could you please clear it with a churchwarden first.

THANK YOU

A BIG thank you from Loraine Pinder-Browne (OM Ships) for your prayers during the month of June. Much appreciated!
