THIS WEEK'S QUESTION

On the first day of the week, Paul and the disciples were gathered together to break bread and Paul spoke to them until midnight. In a window sat a certain young man named Eutychus who was sinking into a deep sleep. He was overcome by sleep as Paul continued to speak and fell out of the third floor window and was taken up dead. What happened?
Read Acts 20: 7 - 12

GOOD NEWS FROM GIVING

You may recall a while back that we were invited to make contributions towards the work of Target TB; specifically the Coney Hall Motorbike Appeal - to enable Health Visitors to get around more effectively.

Target TB and the Blossom Trust in India wanted to send their thanks to all those who pitched in, and there is a great photo on the MOP noticeboard showing the brand new motorbike and the health driver in action.

Similarly, we managed to raise £445 for the Inter Nepal Fellowship (see www.inf.org) and their on-going work in Nepal, especially the restoration work they are undertaking following the recent couple of earthquakes.

Thank you to everyone who has given generously and I hope you are encouraged to hear of resources making a real difference in people's lives.
