

OUR HOMEOPATHIC REMEDIES.

Our Homoeopathic Specifics are prepared under the supervision of an old experienced Homoeopathic physician. Great care is taken in preparing them according to the rules laid down by the highest authorities on homeopathy, and only the purest drugs used. Every one of the following specifics is a special cure for the disease named on it. Adults take 6 pellets, children from 1 to 3 according to age, and from two to four doses are to be taken every day according to the severity of the case. We ask the special attention of all our customers to these high grade remedies. If you have them near at hand, we guarantee they will save you many a doctor's bill, and what of more consequence, quickly relieve any suffering member of the family and ward off more serious sickness. We make the price as low as we possibly can in order that they may be within reach of every one of our customers, only 18c each bottle, with the exception of three rare ones which of necessity we require to make a higher price.
