## THE CONCEPT OF SYNERGY

You combine the two primary influences that impact a kid's life, FAMILY & CHURCH and you get Synergy! Much like the colors of Yellow and Red, together you get the color Orange. Synchronize the light of the church with the love of family and you get a family growing in mind, body and soul!

## THE SYNERGY FLAME

The Synergy Flame icon will be used to publicize any program, meeting or service designed to celebrate one of the five milestones of spiritual development or to spotlight a church program designed to support the family's effort toward any one of those milestones.
