7 The Hamptons

Despite the crowds and the commute, the Hamptons remains the city's ultimate summer playground. Get there in style with hotelier André Balazs' StndAIR, stdair.com, a Cessna service whisking you from Manhattan to East Hampton in 45 minutes. Upon arrival, check into Ruschmeyer's, visitruschmeyers.com, a loungey, low-key hotel in surfer-friendly Montauk. Book dinner at Nobu's new Hamptons outpost in the Capri hotel, caprisouthampton.com.
