CONSIGNMENT GUIDELINES

Thanks for your interest in consigning with us. We are delighted to have high standards and to being honest and fair to our consignors and shoppers. We want to help you make the most money from your clothes. You can do that by following these guidelines:

1

WE PICK UP WEEKDAYS FROM 9AM TO 5PM.

2

PACK ITEMS IN EXCELLENT CONDITION. We take clothes, shoes and accessories. All items must be clean and free of stains, fading, holes, etc. All items must be authentic and verified upon request. We take items that are current and in season. To get in and out quickly, items should be folded and placed neatly in your concierge bag. No hangers please.

3

WE SET THE PRICE TO MAKE YOU THE MOST MONEY. We price every item by hand, based on condition and popularity of the brand.

Resale: Within a few days

Consignment: Items sold before the 20th of the month will be paid out by the end of the month.

Payout Percentage

40% for the first \$499 sold

50% for \$500-\$2,499 sold

60% for \$2,500 or more sold

4

WE SELL YOUR ITEMS FOR 60 DAYS. Your consignment period begins when your items go on the sales floor (not on the day we take your clothes). After 30 days we may sell them at 50% off. After 45 days we may sell them up to 75% off. Items that don't sell after 60 days are donated to charity. Any requests to pick up unsold items are subject to a \$15 service fee. After pick up to let you know what we accepted and the value of your items. You also have the option to donate your earnings to one of our select charities.

5

YOU WILL BE PAID FOR YOUR SOLD ITEMS VIA CHECK OR PAYPAL. We use PayPal for all online payments. If you would like to receive your payments online, use the email address associated with your PayPal account. If you don't have a PayPal account, you can set one up easily when we email you a payout notification.
