## Atlanta Harlequins Seeking New Players for 2014

### About Our Club:

The Atlanta Harlequins are coming off of a very successful Fall 2013 season and we are looking to continue to grow our club. We ranked #5 in our first season in the Women's Premier League and have a developing Division 2 squad, Quins2. Players from all over the South commute or move to play with our squad and our championship roster carried players from 5 states, all of whom attend training regularly. We are looking for athletes to join our team. Whether you'd like to play at the elite or social level, there is a place for you with the Atlanta Harlequins.

### FAQs:

- **What if I don't know which level is the best fit for me?**  
There is a place for all levels on our team. If you're unsure if you're at the WPL level, you can always attend training and get feedback from coaches and captains to help with the decision.
- **Do I have to stay on one squad the whole time?**  
Of course not. If you decide you don't have time to commit to the WPL, the Quins2 team might be better for you. If you are on the Quins2 team and want to hone your skills to compete at the elite level, you can do that as well.
