

# 8-STATE RE-ENTRY / REINTEGRATION CONFERENCE: STONY POINT, NY

## May 6 & 7, 2016

We will focus on the trauma of incarceration, how it impacts 3 areas of Re-Entry: **Jobs, Housing, Family Reintegration**, and which trauma-informed ministries are addressing these areas effectively. Most of the speakers will be the men and women who were formerly incarcerated.

Primarily purpose: **To identify 'best practices'** in Re-Entry work in the 8 Northeastern states...practices that we can learn from and perhaps emulate in our areas. For faith communities through out the Northeast to learn about and share effectively Re-Entry ministries throughout New York, New Jersey and the six New England States.

**This event is organized, underwritten and sponsored by the Prison Ministry Network of the Synod of the Northeast of the Presbyterian Church (U.S.A.).**

This is not, however, an exclusively Presbyterian event. All who are involved in or interested in helping incarcerated women and men who are re-entering civil society are invited to learn and share their experiences. Protestants, Catholics, Jews, Muslims -all faiths are sought & welcome!
