

# 2011 Professional Awards Nomination Form

**Nomination:** Kinderhook-Stuyvesant-Stockport Inter-Municipal Trail Feasibility Study

---

**Category:** Outstanding Student Project

---

## **SECTION A**

The following information is to be included with your submission. Submissions lacking the **mandatory submittal requirements** will not be considered.

### **Mandatory Submittal Requirements:**

Unless otherwise indicated, items listed below **must be included** with your submission. Incomplete applications may be returned.

- One (1) original and five (5) hard copies of pages 1 and 2 of the 2011 Professional Awards Nomination Form, completed and signed.
- One (1) hard copy version of the published report, plan, ordinance, or study that is the subject of the nomination.
- Six (6) digital copies on CD/DVD of the complete nomination materials including the nomination form, published report, plan, ordinance, or study in PDF format, and the following:
  - For project nominations: provide a one to two page summary of the nominated project
  - For nominations of a person: provide a resume highlighting the individual's contribution to planning
  - A two to three page summary of how the nomination meets the criteria for that specific category as noted in this application
  - Letters of support: Up to five letters of support with at least one written by either the adopting agency, client or one of the impacted communities/stakeholders identified in the plan document
  - Five to ten slides representative of the submission and suitable for Power Point presentation.

### **Optional Submittal Requirements:**

The following items are optional and may be included on the CD/DVD.

<b>Audio or video presentation(s) entitled:</b>	Video of Stuyvesant Falls (used in public meetings)
<b>Other appropriate materials:</b>	Power Point Documenting Trail Conditions Book on Railroad History along Proposed Trail
