

Agility Workshops by Lori Grove

New Agility Workshops

Common agility sequences (morning session)

This workshop concentrates on handling skills you will need to maneuver typical agility course sequences such as serpentine, pinwheels, wraps, 270s, 180s, threadles and back sides of jumps. This will include front crosses, rear crosses, blind crosses, etc.

Weave pole fundamentals (afternoon session)

An afternoon perfecting weave entries and teaching the dog to understand all the weaves as one obstacle with drive thru to the end. For teams at the pre-novice level.

About the instructor-

Lori started agility over 20 years ago with her Cocker Spaniel

Obedience dog Frazier. After getting her first Q at the first AKC trial at the Wine Country Circuit, in the dark, she was hooked. She has competed in AKC, CKC and CPE so far. Today her partner is another Cocker Spaniel, Indy;

CH MACH2 CATCHLandmarks Midsummer Night's Dream.

She has also been lucky enough to run a few other breeds owned by friends and students as well as titling her second breed, a Gordon Setter.

Directions to **Communicate & Play Dog Training:**

3218 Lakeshore Road (diagonally across from Lake Avenue)
Hamburg, NY 14075

Parking Lot behind the building – entrance in the back
