

# Smart EOFY Strategies 2013

**This flyer outlines 12 end-of-financial-year strategies, specifically designed to help you:**

- make the most of your super contributions cap
- make life insurance more tax-effective
- managing capital gains tax, and
- getting the most from your tax return of bonus.

## **Important Information**

This flyer is published by Westmount Securities (WS) Pty Ltd (ABN 42 090 595 289/AFSL 225715), 435 Roberts Road Subiaco WA 6008.

It is intended to provide general information only and does not take into account any particular person's objectives, financial situation or needs.

Because of this, you should, before acting on any information in this document, speak to us and/or taxation professional before so we/they can help you assess which year-end strategies suit you best.

The taxation information in this document is of a general nature only, based on our understanding of relevant superannuation, social security and taxation laws as at 1 March 2013 and may be subject to change. It is not intended to provide taxation advice.

Westmount Securities Pty Ltd is not a registered tax agent. If you wish to rely on this letter to determine your personal tax obligations, you should consult with a Registered Tax Agent.

Talk to us about which of these strategies best suits your needs.
