Isaiah 10-12; 2 Kings 16; 2 Chronicles 28

This is Gavin Johnson, College Pastor at Christ Community Church.

God uses, but never authors evil.

- Job as an example. He will ultimately punish Satan.
- Assyria is the case here. He will use them to punish Judah, but they will be held responsible.

Third Great Messianic Prophecy.

- 11:1 "From the stump of Jesse, a branch will bear fruit. –J.C. from the line of Judah
- "The spirit of the Lord will rest on him.
- Luke 4 "The Spirit of the Lord is upon me!"

Already / Not Yet

- The prophecies of Isaiah 11 are certainly fulfilled in part, with Jesus' first advent. Kingdom is at hand!
- They certainly were not all fulfilled – JC as a judge. World-wide peace.
- Already / Not Yet.
- Invisible / Visible
- Voluntary / Involuntary
- Our job – live in light of the Kingdom now, eagerly await the Kingdom to come.
