

WEEK 3: THE JESUS I KNOW

1. Lee Stroebel talked about how he would respond to someone who asked him to “tell me about the Jesus you know.” How would your respond to this? What would you share about Jesus from your life?
2. How do we see God’s love being expressed to us through Jesus? How can we (as individuals and as a group) be part of people experiencing the love of Jesus in tangible ways?
3. Romans 8:23 talks of our adoption into God’s family. Why is adoption such an appropriate metaphor for what happens when we place our faith in Jesus? What benefit of being adopted into God’s family are you most thankful for (check out Ephesians 1:3-14 for a pretty good list of perks)?
4. 2 Corinthians 5:15 reminds us that Jesus’ work in us is so radical that it is as if we become new creations. Have you seen this happen in someone’s life? What changed in them? In what way(s) do you need to experience Jesus’ transforming power in your life right now?
5. Lee Stroebel talked of “windows of opportunity” in our lives. Are you standing before one of these windows in your spiritual journey right now? Are you willing to take this opportunity? Do you know someone else who is standing before a window of opportunity? Pray for them together and seek an opportunity to talk with them about it this week.
