Acts 1:8 –“you will receive power when the Holy Spirit comes”.... Do you sense this power in your life? Is there a time when you know God has used you for Kingdom impact? Please share it.

What is the power of the Holy Spirit to be used for? Do you think the Holy Spirit was given to the believer for the believer or for others? Explain?

When do you live or act like you have God's power in your life?

What happens when you try to accomplish Gods work in your own power?

Where is God’s Spirit prompting you to “show up?” What is holding you back from jumping in?

Read Eph 3:16-21 Meditate on this Scripture this week. How might this Scripture bring transformation and power?
