

## Between the Trees

11.22.15

1. From what Pastor Mark presented in his message, how would you describe “living between the trees”? How does this reality manifest itself in your life?
2. We live in the pain and chaos between the garden and the city but scripture shows us that God wants us to bring His kingdom now (The Lord’s Prayer, John 10:10) Where have you seen life and abundance displayed as God makes life down on earth like it is in heaven? Do you live expecting God to show up?
3. What excites you about the new vision God is giving CCC?
4. Is there something God is calling you to explore or risk to reach people in Omaha?
5. Spend time as a group praying for the vision and participation of Christians to reach our city for Christ.
