

# Absent From Flesh

Intro: **C# - C#add7 - E - F#**  
**B - F# - C#**

## Verse 1:

**C#            C#add7    E            F#            B            F#            C#**  
Absent from flesh, O blissful thought; what joy this moment brings  
**C#            C#add7            E            F#            B            F#            C#**  
Freed from the blame my sin has brought; from pain and death and its sting.

## Verse 2:

**C#            C#add7    E            F#            B            F#            C#**  
Absent from flesh, O Glorious day! In one triumphant stroke  
**C#            C#add7    E            F#            B            F#            C#**  
My reckoning paid, my charges dropped and the bonds 'round my hands are broke.

## Chorus:

**B            F#            C#**  
I go where God and glory shine,  
**B    F#    C#**  
To one eternal day  
**B    F#    C#**  
This failing body I now resign,  
**B    F#    C#**  
For the angels point my way.  
**B    F#    C#**  
For the angels point my way.

## Verse 3:

**C#            C#add7    E            F#            B            F#            C#**  
Absent from flesh! then rise, my soul, where feet nor wings could climb,  
**C#            C#add7            E            F#            B            F#            C#**  
Beyond the sky, where planets roll, and beyond all keep of time.
