Corpus Christi College SPACE CAMP AND STEM TOUR USA 2016

Expression of Interest Form

I am interested in my son/daughter _____ attending the Corpus Christi College Space Camp and Science Technology Engineering and Mathematics Tour USA 2016 leaving Perth on **Saturday April 9 2016** and returning on **Sunday April 24 2016**.

I understand the anticipated cost will be approximately \$ 7300 AUD.

I understand that returning the Expression of Interest form does not obligate my son/daughter to attend this tour. The Expression of Interest is due to be returned by **Friday 24 July 2015**. A meeting for all interested parents will be on **Monday 3 August**. A decision will then be made on that date whether the tour is viable. If the tour runs a \$1500 deposit will be required by **Tuesday 4 August**. In the event that by **Friday 7 August 2015** we do not have enough trip attenders to make the tour viable, all deposits will be fully refunded and the tour proposal cancelled.

Once the trip has been officially booked (as of **Friday 7 August 2015**), any cancellation will incur a 100% cancellation fee of monies already paid, as the money will have already been committed to tour expenses - deposits on activities, flights, accommodation, etc.
