Holiday Revision Programs - Specially designed courses to help revise WACE subject content and teach you how to maximise your school and ATAR results. Classes held in the January, April, July and October school holidays.

Weekend Classes - Tutoring classes with small groups that are conducted throughout the year to provide individual attention and on-going help as you need it. For Years 7 - 12.

Master Classes - Weekly teaching classes by expert WACE teachers that aim to extend students and teach students how to earn maximum marks.

Individual Tuition - In your own home or boarding school. All ages, all areas.

Study Guides - Containing revision questions and material to help you study and succeed in exams.

Creelman Exam Questions - The past WACE exam questions arranged in topics, with model answers.

Headstart Program - Held in January for Years 7 - 10.

Skills Development Program - Held in April for years 7-10 to help students revise important concepts and skills and prepare for NAPLAN testing.

Ways to maximise your school success throughout the year

Maximise Performance

PRESENTERS AT APPLECROSS

DR ULRICH SEYDEL - An exception teacher who has a distinguished career as a researcher and teacher in Physics and Chemistry. He has taught both WACE and ATAR courses and the International Baccalaureate. His strength is in working with high performing students, to provide the enrichment and insight necessary to achieve top results.

DR O.T. LEE - Author of maths text books which are used in WA schools. Dr Lee is an exceptional, insightful teacher with wide-ranging experience as a WACE marker. His students achieve outstanding results.

ASHLEIGH DAVISON - An examination marker and dedicated English teacher who has taught at some of Australia's top performing schools including Perth Modern School. Her students consistently receive top marks and University entrance scores. Ms Davison is an energetic teacher who provides individual attention and specialist assistance to her students.

PRESENTERS AT PERTH MODERN SCHOOL

DR ROY SKINNER - An inspirational teacher and an author of Physics and Chemistry Study Guides. He has a Masters degree in Nuclear Physics and a Ph.D. from King's College, London in Science Education. In 1999 he was awarded the De Laeter Medal as an outstanding science teacher. Dr Skinner has taught physics and chemistry in three different countries and has been the Head of Science in five schools.

**Why choose ACADEMIC TASK FORCE?**

We are the WACE and ATAR specialists

Academic Task Force has worked with schools and families for 28 years and knows the local education scene well. We are one of the longest established and most experienced Yr 11 & 12 education providers in Western Australia.

Our Master Classes provide excellence in education. Ideal for students seeking high achievement who want thorough teaching of the syllabus, increased knowledge and advanced insights. Our outstanding team of dedicated and inspiring teachers will motivate you to maximise your performance and achieve significantly higher results. **We are the WACE and ATAR specialists.**

The small group classes enable you to interact closely with the teacher and other students. You will receive the extra help you need to get the best marks possible.

**PREVIOUS STUDENTS SAY...**

"The teacher inspired me to really do well and showed me how to gain those extra marks."

*(Jack, Perth Modern School)*

"I have increased my understanding and knowledge of difficult concepts."

*(Laura, Corpus Christi College)*

"I have consolidated many concepts that I hadn’t fully understood."

*(Stephanie, St Hilda’s)*

"A great boost to my exam performance - my results increased by 15%"

*(Bala, Applecross SHS)*

"I am very proud of our excellent record of quality teaching and the high academic results our students have achieved"

**Dr Pam Bagworth, Principal**
