Scholarship program

If you need some assistance with the voyage fare check out our scholarship program. We have many partnerships with national and local community organisations in place that let us offer scholarships to deserving young people. Our scholarship program is open to people aged 14-25 that are experiencing financial difficulties. There is a list of current scholarships on our website. Call us if you would like to know more.

Booking your voyage

Application forms are available on our website. Send us your completed application forms by email, fax or mail. A minimum of 25% deposit is required to secure your berth. You will receive a confirmation once your application has been approved. Voyage fares include accommodation, all meals, use of wet weather gear and any shore visits. Transport to and from the ship is not included.
