## July Revision Program

Our July ATAR Revision and Exam Preparation Program focuses on strengthening students' knowledge and understanding of the syllabus. The classes will prepare students to perform better in exams. To facilitate this success the class numbers are kept low.

### Program includes:

- ✓ Classes for year 10, 11 and 12 students
- ✓ Subject revision
- ✓ Small groups
- ✓ 5 hours of Study Skills
- ✓ 5 hours of Essay Writing
- ✓ 10 hours of subject revision

### Structure

The ten hours of subject-revision is broken up into two hours a day for five days. The Study Skills and Essay Writing programs are one hour a day for the five days. The small group classes allow teachers to handle the specific needs of individual students.

### A Successful Program

Students attending holiday revision programs report that they feel more confident tackling assignments and are better prepared to sit their exams.

To view the students' evaluations of our previous programs please consult the Master Mind Australia web site:
