TTSC's initiatives in the protection of migrant workers were at three different levels:

- Policy level, national, and international level.
- Mobilising TTSC movement on the protection of migrant workers. The impacts of
  mobilising TTSC leaders and members by NGOs were the main reason
  NGOs who participated in TTSC and the sufficient database about migrant workers
  in Thailand. In this research, TTSC's initiatives were examined as well as the impacts on
  Solidarity Committee (TTSC) and its influence on the protection of migrant workers in

This qualitative research was aimed to study the movement of Thai Labour
