NOTE TO THE READER:

Instead of modifying this document to fit boring script "standards" and look professional or whatever we left it completely untouched. This is exactly what flowed through our dumb brains to our fingertips when writing *Dick Figures The Movie*. We had a ton of fun (and beer) writing this movie and are thrilled to share this part of the creative process with you all. Without you, it never could have happened. Thank you, from the bottom of our stick-hearts.

Also, a note for DF trivia buffs, there is ONE joke in the movie that doesn't make any sense unless you read this script. Scene 23. Enjoy the F'ing H out of reading this.

NOTE TO SCREENWRITERS & OUR PARENTS:

We're very, very sorry.

SCENE 1 - FIRST DAY OF COOL

EXT. OUTER SPACE

We see space, with stars whizzin' past and shit.

ZEUS (V.O.)

This is a story about stick
 figures, who live in a world full
 of monsters and explosions and...
 raccoons, and a lot of other cool
 stuff too. And it all takes place
 on a little planet we like to
 call...

We see Saturn in the middle of the shot.

ZEUS (V.O.) (CONT'D)

Earth.

Saturn rotates out of the way to reveal the Earth.

ZEUS (V.O.) (CONT'D)

There it is.

Suddenly an asteroid blasts through space directly towards Earth! Oh no!

EXT. SCHOOL - MORNING

Pan down through clouds, to an Elementary School. School bus pulls up and we see PINK, RACCOON (super fat), LT, STACY, BROSEPH, and TROLLZ0R hop out. The BEE's in there too, but he's tiny, he's a bee.

TROLLZ0R

FIRST!

LORD TOURETTES

Who the FUDGE cares!?

RACCOON

I can't wait for runch!

STACY

Oh my gawd, do you think there are
 gonna be boyz at this school or
 what?

PINK

Ew, boys have cooties!

Pink looks back and sees lil BLUE who waits on the bottom step of the bus.

DINGLEBERRY

Adios assholes! I'm late for a rave!

Dingleberry cranks some dubstep and pops a whole bottle of pills then speeds off--

DINGLEBERRY

Oh no, not the explosion factory!

Huge explosion. Blue shrugs and walks towards the camera in slow mo as a fireball spreads behind him. Badasssss. He trips and falls into the mud. Pink laughs.

BROSEPH

Where'd you learn to walk? Cripple school? NICCEEEE.

Broseph hi-fives himself as everyone walks into class and Blue is saaaaad. Blue walks through the playground.

RACCOON

If you're happy and you know it, crap your hands.

Raccoon claps his hands. Stacy is high on pixie sticks and talking to Pink.

STACY

Hey bitch, you want a pixie stick?

PINK

My mom says those turn you into a whore.

STACY

Probably!

Stacy guzzles down some sticks. Nearby, Go-Home-Girl is young and skinny and hopscotching SOOO happily. :(

LORD TOURETTES

Oh, hello Blue!

BLUE

Hi, Lord Tourettes.

LORD TOURETTES

First day of class?

BLUE

Yeah...

LORD TOURETTES

SPLENDID! Mine as well. Say,
there's a young JERK FACE looking
for you. Says he wants to beat
your BUTT until you die! Well, ta-
taa!

LT jumps away. Blue goes to a see-saw, and sits down alone.

BLUE

(sad)

Whee. Sigh.

Broseph walks up super cocky.

BROSEPH

Sup... bro! You new here or what?

BLUE

Uh yeah, first day.

Broseph climbs onto the see-saw then walks to the other
end, tipping Blue into the air.

BROSEPH

Must be, cuz otherwise you'd know
this see-saw's for 5th graders!

Bullies surround Blue.

BLUE

Huh, I... Sorry, I didn't know-

BROSEPH

And the price for playing on the
5th grade playground...is your
MILK MONEY!

The bullies pull Blue down to the ground, lifting Broseph
into the air on the other side.

BLUE

(struggling)

But... I'm lactose intolerant!

BROSEPH

Really? Well, let's see if you're
FIST-ose intolerant!

They punch Blue in the face and he starts to tear up.

BROSEPH (CONT'D)
What's the matter, Blue-kid?

BLUE
My mom says I drink too much
water, that's how come I cry so
much... and peeeee.

BULLY
Gross!

They beat him up some more and Blue cries for help. Pink
and the other girls look over.

BROSEPH
You know I got held back five
years... but my muscles didn't.

They continue beating up Blue, he doesn't stand a chance.

BROSEPH (CONT'D)
Old McDonald had a farm, now
you're gonna DIE, nerd.

BLUE
NOOO!

KABOOM! A mega-shockwave blasts somewhere high above.
Broseph looks up, squinting.

KID (O.S.)
What is that?

LORD TOURETTES
Look! It's an ASS-teroid! Ooh.

BROSEPH
Dude, DUDE, DUUUUDE!!!

The asteroid shoots out of the clouds and lands right on
Broseph, disintegrating him so hard. Just killing the fuck
out of him. There is a HUUUUGE explosion! It creates a
giant crater in the middle of the playground.

Blue gets up and nervously peeks over the edge. Kids
chatter in the background. The smoke clears and we see
Broseph's skull charred on the ground, hair-swoop included.
A Red foot crushes it. We pan up. Holy fuck, it's RED.

RED
Sup.

STACY
Oh my god, who is that?!

BULLY

It's a new kid! Get him!!

Bullies pour over the edge of the crater. Red, whose hat is on forward, slowly moves it around to face backwards then SHIT... GETS...REAL!

Red blasts into the air, looking epic courtesy of a lightning strike, then beats the shit out of a dozen bullies better than Jackie could. It's just pure kindergarten mayhem.

He sprints at top speed, leaping onto a metal-dome-thingy (remember those?) and goes wild with punches and kicks before smashing the whole thing to the ground. Dudes fly everywhere. Red grabs ahold of the tether ball and uses it as a weapon to fend off more attacking bullies. He whips the rope around one, pinning him to the pole before flipping away.

Red climbs up a slide, smashing unfortunates who get in his way. Making his way from one end of the playstructure to the other, Red takes no prisoners as he takes out like, half the graduating class.

Then, oh shit! Bullies show up with bats on the bridge! Red snatches a bat away from one and pummels the rest. He ninja-jumps into the air, shattering the bridge with a bat-throw, and JUST lands on the other side. Red climbs to safety but when he returns to the playground dozens of bullies tackle him to the ground. DOG PILE! Burly Brawl-style from *The Matrix Reloaded*. But that movie wasn't that great so Red decides he's had enough of this nonsense and EXPLODES outwards, blasting all of the bullies off of him. They go flying everywhere. Kids land in trees, knock against buildings. It's awesome. The girls are very impressed.

STACY

OMG you're sooooo seckssyyyyy!

RED

I know.

Blue runs over to Red.

BLUE

Dude, you saved my life!

RED

I know.

BLUE

What's your name?

RED
I know- uh, I mean... I'm Red.

BLUE
My name's Blue. No matter what happens, I promise... I will always be your friend.

Blue raises his hand up.

RED
I know... Cuz I'm awesome!

They high five... THE high five. BRAFAWHCOWWW!!!

SCENE 2 - GROWING PAINS

Growing up montage.

- Blue opens his lunchbox but it's empty. He looks up and Red is sitting on the edge of the table eating his sandwich staring at girls. Blue is super grumpy-cat.

- Everyone's picking teams for dodge ball and Red points to Blue. Blue nods and points to himself in confusion. Red motions for him to get out of the way. Some other kid (light blue) is standing right behind him.

- Teacher asks a question. Lord Tourettes (LT) puts his hand up and swears. Teacher points for him to leave! Saaaaad.

- Red leans over and peeks at Blue's test answers. The teacher grades them and returns the test. They both get F's. Red slaps Blue in the face.

- Red and Blue walk up to first day of middle school together.

- Blue is at a dance nervously drinking punch on the side. Red is out on the dance floor going nuts with girls everywhere. Go Home Girl is alone eating snacks, noooo!

- Red looks at Blue's test answers again. Blue gets an A and Red gets an F. Red slaps him.

- Blue smiles... he has horrible braces, acne and glasses. Red smiles and reveals his gold grill while sunglasses fly onto his head. Zoom out to reveal Blue has Forrest Gump-style leg braces. So embarrassing.

- Two lockers slam closed. Red and Blue are in high school. Blue goes for a high-five but a ton of girls walk by and

Red ditches Blue to follow them. Blue is sad, like always.

- Everyone is walking up to college. Stacy walks into Med School (Ep#40: Robot Frog!).

- Red throws a HUGE party in the dorm, bras on his head and all. Total College-house pimp. Pan over and Blue is trying to study but people are bumping and grinding all up on him.

- Same framing, but this time in a classroom. Blue is scribbling furiously and Red is lying face down, dead on the desk. They get their papers back. Blue gets an A+, Red gets an F+. Still unconscious, Red slaps Blue in the face... Again.

- Graduation! Red and Blue show off their diplomas. Red majors in "Undeclared with a minor in Flip Cup". Blue double majors in "Advanced Joystick Theory" and "Cynical Studies". Everyone tosses their graduation caps into the air, but Red just throws his hat.

SCENE 3 - P-DAY

INT. BLUE'S ROOM - DAY

We see Blue's room which is filled with all kinds of nerd/gamer/movie related junk. Pink and Blue are hanging out on his bed, sexily... Almost?

PINK

Come on, Blue... PLEASE!

BLUE

I'm not gonna tell you.

PINK

Please please please!

BLUE

No way! I got you the greatest birthday present of all time I'm not gonna spoil the surprise.

PINK

You're such a jerk!

Pink punches Blue.

BLUE

Agh! God... OW.

PINK
Wooooowww, you're a jerk... AND a
wuss.

BLUE
No! (Super bitch-like) Owwwwwww-

PINK
Alright you pussy, I gotta go to
work.

Pink leaves.

INT. RED & BLUE'S APARTMENT - DAY

Out in the living room Red is playing a video game, "Super Italiano Brothers," where GELATO BENE is the main character. It looks so shitty. Pink leaves Blue's bedroom and walks past Red.

PINK
See ya later, Blue, I'll call you
tonight.

BLUE
Okay shmoopsy poo-poo-pie.

PINK
I can't wait to see what you get
me for my birthday.

RED
Hey toots!

PINK
Go to hell, Red.

RED
Okay, see ya there!

Red plays the most-shitty of games and consistently gets to the same hole and just jumps into it, dying. Blue walks out and starts cleaning up their messy apartment.

BLUE
Dude this place is a duuuump!

RED
You know where there IS a dump?
Your bed.

BLUE
Goddamn it dude not again. Use the

toilet!

Blue picks up beer cans, boxers and trash. Red throws another beer can on the floor after he walks away. Red dies in the hole again.

GELATO (V.O.)

Mama miaaaaa!

Blue finds several notes on the front door saying "RENT OVERDUE!" The door bursts open and MR. DINGLEBERRY, the landlord, is hunched there.

BLUE

Mr. Dingleberry!

MR. DINGLEBERRY

Ehhgggghhhh you haven't paid rent in eight months!

BLUE

(sarcastic)

Oh my god you're right. Here, lemme me get my checkbook.

Blue slams the door.

MR. DINGLEBERRY (O.S.)

Okay... I'll just wait right here.

Little 8-Bit Gelato Bene screams.

GELATO (V.O.) (CONT'D)

Gelato! Ciao! Spagett!

The level starts again and Red jumps over little pizza monsters and dives right into the hole. Red is being a total bum. Blue opens the fridge and checks the food. It's a disgusting mess.

BLUE

Expired. Expired. Rotten. Poison.

Blue returns to the living room just as Red sends little Gelato to his death again.

BLUE (CONT'D)

Dude, you've been playing the first level for three hours, can you really not make that jump?

RED

I can make it, I just hate that little guy!

Gelato screams as he falls into a pizza oven pit. Fire!!

BLUE

Move over, I've got a degree in
'Advanced Joystick Theory' and I
ain't afraid to use it.

RED

Yeah I heard you practicing last
night.

Flashback to Red stethoscoping through the wall to what
sounds like Blue jacking off to Olivia Munn.

BLUE

(grunting grossly))
Ohh Oliviaaaa. Ohhh Munnnn. You do
it for me every tiiiiime!

We cut to Blue's room, he sits up in his desk chair.

BLUE (CONT'D)

There! Done with this hand
crocheted towel of Olivia Munn...
time to jack off.

Blue holds up a towel with a super crappily crocheted
version of Olivia Munn on it. Cut back to the present. Blue
takes the controller.

BLUE (CONT'D)

Lemme show you how this shit's
done, son!

Just as the level starts the power goes out.

RED

The fuck?! Who took dem lightz?!

BLUE

I mean we haven't paid the
electricity bill in seven
months...

RED

We pay for electricity?

BLUE

You don't... I DO!

RED

GASP! Wait all of our food's gonna
go bad!

Red bolts off the couch and runs into the kitchen.

BLUE

All of our food IS bad!!

Red flings open the door and starts shoveling the expired food into his mouth.

RED

Can't- let- precious food- go to waste!

BLUE

Dude, you know that's all expired.

RED

I don't care!

BLUE

Oh god not the milk.

Red chugs from a carton of lumpy milk.

RED

I'll keep you safe in mah belly cow juice! Gack! I think I'm gonna vom.

BLUE

Hey listen, I got a big problem, I totally just lied to Pink.

RED

Egggggsss!

Rotten eggs break into his mouth.

BLUE

Her birthday's next week and I just told her I got her the greatest gift of all time but I didn't get her anything!

RED

Give her this mayonnaise jarrrrr!

Red is just downing a jar of mayo.

BLUE

No, come on, you know what girls like right, what should I get her?

RED

Hey, you should go see the Racc--

BARF!

BLUE
See who?

RED
The Racco-- *HUUUUUGE BARF!*

BLUE
What're you trying to say?

RED
I can only say so many words
before I-- BARFFFFFFF!

SCENE 4 - RAC-CITY

EXT. ANCIENT SECRETS N THINGS - DAY

Red and Blue walk up to a pawn shop that says "Ancient Secrets N Things."

RED
The Raccooon!

BLUE
Ohhhh...

RED
He's got the COOLEST stuff.

INT. ANCIENT SECRETS N THINGS - DAY

They enter and see tons of the coolest stuff.

BLUE
(weirded out)
Yeesh, I dunno if I should get my
girlfriend a gift in a pawn shop--

RED
(gasping)
You should get her this cool hat!

Red grabs a bear trap and holds it over his head.

BLUE
Yeah try it on.

Blue leaves Red and heads to the front desk where he finds the Raccoon behind the counter.

RACCOON
So you want a gift for your
girlfriend eyyyhhhyhyhyhhhh?

BLUE
Whoa, how'd you know?

RACCOON
You talk very loud.

SNAP!

RED (O.S.)
It fits perfect!

RACCOON
DID YOU TOUCH THAT FUCKING BEAR
TRAP!?

Red walks up with a bear trap on his head, bleeding
everywhere.

RED
...No. Idiot.

BLUE
Um, so me and my girlfriend have
been dating a long time and I
wanna get her something super
romantic.

The Raccoon pulls out a weathered old map with Japanese
writing on it.

RACCOON
I've got the perfect gift for you,
but first... a stooooorryyyy.

BLUE
Ughhh...

RED
No, old people stories...

We zoom into the paper and it dissolves to a flashback
story of ancient Japan...

SCENE 5 - THE LEGEND OF TAKAGAMI

EXT. FEUDAL JAPAN - DAY

RACCOON (V.O.)

A long time ago, in ancient Japan,
my country was at war.

We see the Takagami Demon Army, all outfitted in samurai
and ninja attire, marching on a small village.

RACCOON (V.O.)(CONT'D)

My small village was all that was
left. Knowing I may die in battle
I gave my wife a symbol of undying
love -- a lotus flower.

We see the Raccoon give her the flower and the two kiss.
The Raccoon puts on his sweet helm.

RACCOON (V.O.)(CONT'D)

Armed only with the weapon of my
ancestors, the Great Sword of
Destiny, I left to confront my
fate... But the mighty beast, OCHO
MUERTE, emerged from the sea and
took my wife!

A giant orange octopus takes the geisha and eats her.

RACCOON (V.O.)(CONT'D)

I was too late! In my rage, I
fought the Takagami Demon Army and
slew ten hundred thousand hundred
warriors, honorably.

The Raccoon slices up the entire Demon Army in a blind
rage. It's way epic.

RACCOON (V.O.) (CONT'D)

All that remained was Lord
Takagami himself. Though wounded,
he shattered the blade and
scattered it to the wind. As he
lay dying, he said to me--

TAKAGAMI

Fuck you.

RACCOON (V.O.)

He was a douchebag.

TAKAGAMI

You may have won the battle
Raccoon, but the ghosts of my
warriors will haunt the Great

Sword of Destiny... Forever!!

Takagami dies and his evil soul escapes his stupid mouth.
All the other evil souls of the ghost ninja army escape
with him into the clouds.

RACCOON (V.O.)

And with that he died but his
curse remains, guarding the sword
against any who may seek to use
its great power again.

Raccoon mounts the hilltop afront his burn'ed village.

RACCOON (V.O.)

But the power of the blade was too
strong even for me, and in the
fury of battle, I destroyed not
ONLY the Takagami demon army, but
ALL OF JAPAN!! Dishonored, my
kinsman banished me from my home,
never again to return.

Raccoon sails away on a lonely boat into the sunset.
SNORRRREEEEEE!

INT. ANCIENT SECRETS N THINGS - DAY

Present time. The Raccoon snores and Red hits a huge gong,
waking him up.

RACCOON

Sorry, I was bored by my own
story.

RED

Wait, so where's the sword?

RACCOON

There is only one left alive who
knows.

RED

Who?

BLUE

Hold up, why the hell would I give
Pink a sword? This is retarded.

Blue starts to walk away.

RACCOON

NO! Bring me the sword, and in

return I shall give you the
greatest gift a girl, no a woman,
no, a goddess could hope to ever
receive.

RED
Is it mah dick?

RACCOON
Yes.

RE
Really?

RACCOON
No. Haha you are very gullible.

BLUE
Well who even knows where it still
is?

RACCOON
You must find the man who
considers me his greatest enemy...
My son, Son-San!

Blue picks up the map and looks at the village. The music
swells.

BLUE
Nope. You're weird. I'm just gonna
go buy her some flowers.

RED
Shit I'll find that sword! This
sounds awesome!

Red snatches the map from Blue.

BLUE
What? Really?

RED
Ptch-ya man! It's a ten thousand
year old sword... hidden in
Japan... huarded by Demon Ninjas?
THAT'S THE MOST AWESOME THING I'VE
EVER HEARD OF!

BLUE
Dude, you're gonna get yourself
killed going after that thing.

RED
 Maybe... But at least I'm not a
 goddamn PUSSY!

BLUE
 I'm not a pussy-

RACCOON
 You ARE a pussy with a capital
 VAGINA! I told you about the blade
 because I thought you had the
 courage to do something...
 extraordinary.

RED
 Ptcha-ya right! All he does all
 day is sit in his room playing
 with his joystick. He'd totally
 get killed.

Blue looks sad.

RED
 Have fun stayin' home man! I'll
 send you a post card.

Red heads for the door.

RACCOON
 This was a mistake. Only a true
 hero could find the Great Sword of
 Destiny. But I can see now... It
 is not you.

Blue is disheartened, but seems to be mulling over the
 decision. Wait for it... Wait for it...!

BLUE
 You're wrong.

RACCOON
 Oh?

BLUE
 Yeah! I'm gonna find the shit out
 of that sword!

RACCOON
 It's going to be very dangerous.

BLUE
 Good! Pussy's hate danger... And
 I'm not a pussy! Gimme that!

Blue rips the map out of Red's hand.

RED
Aww yeaahh! Time to get our quest
on!!!

SCENE 6 - NO REGRETS!

EXT. DOCKS - NIGHT

Boom! Hard cut to the docks at night. Foooggg hooooorrnn!
Red and Blue sneakily make their way down to the water
hiding behind cargo crates.

BLUE
(whispering)
Okay, maybe I was wrong. This is
pretty scary.

RED
(whispering)
Seriously? Do you wanna get Pink a
sick present or not?

BLUE
(whispering)
Okay-okay-okay-okay. Let's go!

RED
Aww yeah! Follow my lead.

Red does some sneaky shit. They peer around a cargo crate
to see two guards.

RED
Oh crap there's guards!

BLUE
What do we do?

RED
Cartwheel!

BLUE
Cartwheel?

Red cartwheels past the two guards super obviously. He
falls half-way through and scrambles to the other side and
waits.

DAVE (C&H)
Holy shit! Did you see that?

ROB (C&H)
No!

DAVE (C&H)
...Me neither.

The guards look up and even though Blue is incredibly hidden, they still see him...

DAVE (C&H)
Hey you hiding behind those crates!

BLUE
Agh!

RED
Cartwheel dude!

Blue does a shitty cartwheel across the gap.

DAVE (C&H)
Huh! Where'd he go!?

ROB (C&H)
Damn cartwheels! Everytime!

One guard throws his hat down, the other snaps his flashlight in half. Red and Blue sneak closer to the docks but stop behind an open dumpster.

RED
See! How would you have any fun without me?

BLUE
Reading is fun.

RED
Your mom is fun. Yea-ha-ha! Now let's go find ourselves a boat!

Through tuna-night-vision Red spots an aircraft carrier bristling with guns and soldiers and planes.

RED (CONT'D)
Oh how bout dis one?

A cute baby seal peeks out of the water when all of a sudden the aircraft carrier deploys a huge Transformers-esque weapon system and blows it out of the water. Red and Blue are stunned.

RED (CONT'D)
It's perfect.

BLUE
Dude, let's just get on that one.

Blue points to the right where College House is boarding a booze cruise.

RED
No way, have you seen how awesome this thing is? The guns have guns!!

The guns on the boat literally grow more guns.

BLUE
This one's got boobs and beer--

Blue looks over and Red is already running towards the booze cruise.

BLUE (CONT'D)
Red?

RED
BOOBS AND BEEEEER!

BLUE (CONT'D)
I'm gonna regret this...

Red and Blue walk in towards the gang plank where the last of the college people are boarding. Broseph is holding a beer and a clipboard.

BROSEPH
Halt, bro. This booze cruise is for College House dudes -- and dudettes -- only! Hm?

Broseph looks up to see Red.

BROSEPH (CONT'D)
GASP! Holy shit, you're that freshman 15 dude, dude! Didn't you nail like 15 freshman chicks in like one night!?

FLASHBACK - Clip from the Episode "Freshman 15".

Red, Blue and a bunch of chicks are partying in a house. A College House.

CHICK
Naked Party!

RED
Here we go! First!

A number DINGS! On screen as a counter for all the chicks Red has had sex with. DING DING DING!

RED
Oh shit that's like four!

BLUE
Fuck my life!

Back to present time.

RED
Ohhh yeah, that was back in my college years. I can't believe it was only 15.

BROSEPH
Yes, brah, yes! That is what I'm TALKIN' about! Dude welcome aboard bro dude bro. Keg's on the poop deck, babes on the port side, and watch out for Neptune!

Neptune is on the top deck just stabbing people with his trident. He stabs Trollz0r.

TROLLZ0R
Agh! Party foul!

He dies. Thank god.

RED
Woo! Titties, here I come!

Red strolls off-screen and Blue starts to follow but is stopped by B.

BLUE
Oh wow, that was way easy.

BROSEPH
Halt.... brah! This party train's sailing to Port Cool, so consider yourself the third wheel.

Broseph stops Blue.

BLUE

Wait but I thought we were cool--

BROSEPH

You thought THINKING was cool?
Dude.

Blue watches as the gangplank raises up without him. He's stuck on shore.

BLUE

What the hell?!

RED

Sorry dude! Shoulda banged more
freshman chicks!

Red already has his arms around a dozen babes.

BLUE

How the fuck am I gonna get to
Japan?!

RED

Take your car stupid!

Blue is furious but looks over and sees a team of dock workers loading a crane with the ship's supplies.

DOCK WORKER DAVE

Hey, we only got room for one more
palette! Should we load the beer
or the life vests?

DOCK WORKER BROCK

Load the beer! No regrets!

DOCK WORKER DAVE

No regrets!

They load the beer up and as it's passing overhead Blue jumps onto the crate. Blue and the crates get dumped into the ship's cargo hold.

NEPTUNE

Let's get this party started.
Captain DJ... let that anchor...
DROP!

Captain DJ nods and presses a button. The anchor drops and the music blasts. The booze cruise sails off into the sunset.

We see a map version of their boat-travel to Japan, Indiana

Jones-style...

NARRATOR

And so, Red and Blue took a booze cruise across the ocean blue, but they were attacked by pirates and they were all beheaded! Just kidding. They all got sea scurvy and died out of their butts. No no, these are all lies. Unfortunately, they made to Japan. But Pirates sounded pretty cool, right? All right, here's Japan...

SCENE 7 - JAPAN IS CRAZY

EXT. JAPAN - DAY

We see a Japanese harbor beneath Mt. Fuji, full of boats and a huge skyline behind it. Planes and helicopters and birds and even a giant mech behind the buildings are all present.

The boat pulls up to dock and the gang plank is lowered. Red and Blue look out from the top of the ramp at the busy Japanese port. There are tons of people, little cars and trolleys scooting through. Fish markets and food stands. People yelling and pushing carts and sword fighting. Two cute girls bow to greet them.

JAPANESE GIRLS (GIGGLING)

Ah konichiwaa!!

RED

HA! Dude this place is so racist!
Bong Pay-Phone, bitches!

Both girls blush and giggle.

RED (CONT'D)

You ladies wanna sumo wrestle?

BLUE

I'm gonna die here.

The chicks and bros line the boat waving goodbye.

NICK

See ya dudes, no regrets!

Red and Blue wave back as they walk into the port off the gang plank. Red is already flanked by the two girls.

RED
No regrets dudes!

Red and Blue wander through the city, astounded by Japan's fucking craziness. We see insane Japanese advertisements. We see insane Japanese business people with little dogs next to fangirls taking pictures of themselves. Red and Blue walk through in wonder as J-Pop jams. They get crammed into a bullet train. They get out and walk into a futuristic mall full of holograms. We see anime on the TVs and all the technology in the stores are tiny.

CUT TO... A Fang Angels-style anime with hyper people yelling with lightning explosions - Fire-Lightning Revengeleon!

FIRE ANGEL
I AM SO ANGARUUUUU!

ICE ANGEL
IM IN DANGER OF FAILING OUT OF
NINJA VIDEOGAME ACADEMY!

LOVE ANGEL
WHAT WILL HAPPEN WHEN BLUE-SAN
FINDS OUT IM IN LOVE WITH HIM-
AHHHH!

ICE ANGEL
WHO-WHA?

GRASS ANGEL
FUCK YOU!

A salesman is showing a woman a TV the size of a postage stamp with a magnifying glass. It sprouts arms and legs and dances with a Japanese flag and sings:

COY-BOT
Why do the Coy Fish cry-hi-hi? Why
do the coy fish die-die-die?

BLUE
This place is too cartoony for me.

Red is doing the same dance with a flag.

RED
Why do the Coy Fish cry-hi-hi?
Der-der-der-der-der-der-der-der-
dead!

They wander into a food market.

BLUE
Oh sick, ramen!

Red walks in with a bowl.

RED
This is some crunchy ass rice.

BLUE
Red, that's a bowl of tiny cell phones.

Red's skull vibrates.

RED
I've had a lot of painful poops...
but this is gonna be a bad one.

BLUE
Yea, good luck with that.

A Japanese school girl appears out of nowhere looking super Otaku.

SCHOOLGIRL
Oh, you need directionsaru?

BLUE
Oh yeah, wow, that would be great,
thanks, uh, *domo arrigato*.

SCHOOLGIRL (GIGGLES)
Hai, Brue-san.

BLUE
Um, we're trying to get to this
restaurant. Do you know it?

He shows her the map and she giggles again and a HUGE sweat bead appears on her head.

BLUE (CONT'D)
Are you okay?

SCHOOLGIRL
Restaurantu is a bery crose. Takea
burret tlain to next virrage.

We see the girl's face and it shifts into different anime drawings of girls. Red and Blue are weirded out.

RED
What is wrong with her face?

SCHOOLGIRL

Forrow sun rove load to hirr of
lain dlops and rotus pedars.

BLUE

(nodding)

You are extremely unhelpful.

SCHOOLGIRL

YAHTAH! Now I must to schoor
return now okay! Saionaraaa!

She does an awesome backflip and lands inside a mech-head that slides in. A mech-body sprouts out under it and it stands up WAY out of the top of the screen. Red and Blue's eyes go wild. The robot finishes standing up and a giant monster stomps over and they battle.

BLUE

Oh my god, all those animes were
documentaries.

SCENE 8 - NINJA SUSHI

EXT. JAPANESE COUNTRYSIDE - DUSK

A bullet train speeds across the Japanese landscape with the skyscrapers far in the distance. The monster and mech battle so divinely. By the train station we see a sign labeled "Sun Love Road" leading to the Hill of Raindrops and Lotus Pedals. Red and Blue crest the path atop the hill.

RED

GAH! That sushi restaurant better
be close, I'm hungry for some more
cell phones.

His head vibrates again. Blue takes out the map and holds it up.

BLUE

Dude... I think we're here.

We see a tiny village on top of the hill with the restaurant at the end of the path: NINJA SUSHI (open all night baby, we're nocturnal). Red and Blue stroll inside.

INT. NINJA SUSHI - DAY

It's a very minimal Japanese sushi restaurant with little

booths and sushi bar.

RED

How are we gonna know what the
Raccoon's kid even looks like?

An exact copy of the Raccoon walks by carrying a tray of
sushi.

SON-SAN

Prease, have a seat.

RED

Hmm... guess he's not here.

SON-SAN drops the sushi off to the KUNG FU WINNER who is
sitting with two ninjas. Red and Blue take a seat at the
sushi bar. Son-san pops up on the other side and has the
exact same voice as the Raccoon.

SON-SAN

Can I help you?

BLUE

Konichiwa. We've traveled a long
way to find this village. Do... Do
you know the raccoon?

Everything goes quiet.

SON-SAN

The Raccoon? I hate that guy. His
voice sounds so stupid. Right
guys?

At a nearby table Son-san's family, WIFE-SAN and GRANDSON-
SAN, laughs in the exact same voice too.

WIFE-SAN

Ha ha ha. Totally. Eat your
noodles.

GRANDSON-SAN

I don't want to eat my noodles!

SON-SAN

I am Son-san... son of Papa-san,
the one you call The Raccoon.

RED

Whaaaaat?

SON-SAN

This is my wife, Wife-san, and my

son, Grandson-san.

RED

Huh, the Raccoon looks nothing like his family.

SON-SAN

A family he abandoned when he dishonored mighty Japan with the Great Sword of Destiny. It was too powerful for him and YOU WILL NEVER FIND IT!

Son-san pulls out a Katana. Blue jumps back in alarm and Red is pissed, the blade in his face.

RED

Oh this is some bullshit! I want some god damn SUSHI!

Red reaches over the bar and grabs a sushi knife and they cross blades over the bar.

SON-SAN

I will cut sushi, after I cut YOU!

They fight for a hot second before Son-san reaches down and throws wasabi across the bar. It hits Red in the eyes.

RED

AAGH! WASABI!

Red reaches down and throws spicy seaweed. It hits Son-san in the eyes.

SON-SAN

AAGH! SPICY SEA WEED!

Son-san throws miso in Red's eyes.

RED

AAGH! MISO!

Red throws hot tea in Son-san's eyes.

SON-SAN

AAGH! HOT TEEEEAAA-UUUU!

They both sit there crying and screaming. Blue is unimpressed.

SON-SAN (CONT'D)

OKAY!... I will make you sushi!

Two fresh plates of sushi appear in front of Red and Blue and they start scarfing it down.

BLUE
Oh thank Godzilla!

RED
I think I liked the cell-phones better.

BLUE
So the Raccoon-- uh, Papa-san said that you'd know where to find the sword.

SON-SAN
I swore an oath that I would never reveal the location of the weapon, so it may never fall into his hands again.

BLUE
Oh no it's not for the Raccoon. It's for me.

SON-SAN
Oh! Well that's fine. It's just up that mountain.

Son-san points out the window. Red and Blue look to see a HUGE mountain.

BLUE
Nope!

RED
Nope!

SCENE 9 - IT'S A TRAP!

EXT. MOUNTAIN PATH - DAY

Hard cut to Blue taking a rickshaw up the mountain, ralxing comfortably while reading. Red is riding on the rickshaw driver's back... sans rickshaw.

RED
Wooo!

RICK
Red-san, you're so fat.

RED
I had a whole bowl of cellphones
for lunch.

RICK
Ah, that explains it.

They crest the hill and come to a stop, looking up at the temple. It's sweet looking.

BLUE
Oh say!

RED
Oh damn! I bet they got hella
swords in there!

Red and Blue run into the temple. The 'shaw drivers run after them.

RICK
Hey! Wait you no pay!

INT. TEMPLE - DAY

Rick and Shaw enter the temple, but just then a stone door slams shut, smashing Shaw's head against the ceiling. Rick turns around, blood on his face, and trembles. He quickly turns around and runs after Red and Blue. Blood drips down the door behind him.

RICK (CONT'D)
AGH! Mr. America-san, you stop!
Very dangerous! Don't go any
further!

Red and Blue stop and turn around. A dark hallway is behind them.

BLUE
Sorry man, we're kinda gettin' our
quest on.

RED
Yeah don't worry about it pussy.

Red steps on a panel. A blade swoops down from the ceiling and takes Rick's head clean off. Blue is horrified and turns in terror to see Red already strolling into the temple behind him, singing a little song. Blue runs after him!

RED (CONT'D)

Gettin mah quest on, singing the
quest song, watchin a girl get,
gettin her thong on. Makin mah
dong grow bigger than King Kong--

BLUE

Reeeeeed! Dude wait!

Red sings the rest of The Quest Song as he dances through
the temple.

RED

All the girls are like: who's that
brave ass dude? It's motherfuckin'
Red in the Temple of Doom.
Boulders, arrows, snakes and
spiders. I ain't afraid of
anything, not even fire. A creepy
ass castle in a mountain pass? I'm
walkin' right inside and I'm
kickin' its ass.

Blue is always a step behind Red avoiding the booby traps
that he sets off... swinging swords, spiked walls, arrows,
a boulder, and fire-filled pits. Red finally dances out of
the darkness. Behind him Blue stumbles out, torn up from
the traps and pulls an arrow out of his side.

RED

Owwww a splinter?! This place
might be dangerous after all!

They realize they're in the main hall.

BLUE

Whoa! There it is.

A staircase leads up to a large circular platform with
three pedestals. The hilt of the Great Sword of Destiny is
visible at the far end.

RED

Man, that little panda was right.

Blue makes his way over to it slowly. Music is gettin'
intense. Blue approaches closer. Red toots, then smells it.

RED (CONT'D)

Oh my god, that's a bad one.
Evasive maneuvers!

He floats up towards the ceiling to get away from his fart
gas. Blue approaches the Hilt and puts his hands on it to

take it out. He pulls the sword out but it's just the hilt. He is stunned for a second, checks if the rest of the sword is in there. Totally not. Just the hilt.

BLUE
Huh? IT'S JUST THE HILT OF THE
SWORD?

RED
The WHAT of the sword??

BLUE
IT'S JUST THE HANDLE!

RED
That sucks.

BLUE
Ya think?! We came all this way
for the goddamn handle!?!!

Red ignores Blue and looks down. We see that the humongous circular platform is actually a map of the world. The hilt, in Japan, is marked as is two other locations across the world.

RED
Man, this is a cool drawing. It's
got like all three condiments!

BLUE
YOU MEAN CONTINENTS?

RED
Yeah, there's Squiggle, Super
Squiggle... and AMERICA!

Red points to Africa.

BLUE
Which one are we on now?

RED
We're on Squiggle.

BLUE
So there are two pieces left?

RED
I guess so, I don't fucking know.

Just then the temple rumbles and grumbles and Blue almost stumbles. Above the hallway they came through Lord Takagami is a stone statue. He turns un-stone and jumps off the

wall's ledge. Takagami lands on the floor with a huge thud. He looks awesome. He rises. Tons of demon ninjas turn un-stone as well and jump down. Lord Takagami walks up the stairs menacingly towards Red and Blue as the demon ninjas jump down and surround them on all sides.

RED (CONT'D)

Hey guys, sup?

TAKAGAMI

We are the Takagami Demon Army. Our blades burn like fire, and our fire stings like ice, and our ice... is really fucking cold. We are cursed to protect the Great Sword of Destiny from any who seek to use its mighty power.

BLUE

We don't wanna use it, I just wanted a birthday present for my girlfriend.

TAKAGAMI

Then we shall kill her toooo cuz she will have the sword!

BLUE

Wait, dude, can't we talk about this?

TAKAGAMI

The only thing we're going to talk about... is how..... dead you're about to be!

Takagami pulls out a sword and slashes downwards.

RED

Frak this!

Red dodges out of the way and lightning jump kicks past a ton of demon ninjas, killing a bunch of them as he blasts through the stone wall. He then pops his head back in.

RED

This party sucks!

BLUE

Run for it!

Red and Blue flee out of the temple into a bamboo forest. A second later a huge horde of ninjas follows them.

TAKAGAMI

Seize their souls! From our point of view they are the villains, not us! It's totally rational from our side of the story!

RED

Dude, that fish cray!

BLUE

Stop runnin' your mouth and start runnin' your legs!

RED

Why, are the cops coming?

BLUE

...yes.

Red screams and runs so fast. Blue struggles through the forest. Red doesn't realize that he's run right off a cliff. He screams as he tumbles down the slope. Blue keeps running and also falls off the cliff. He lands next to Red as they crash down the slope.

BLUE (CONT'D)

This is all your fault! I don't know why I ever let you talk me into this!

RED

Dude, shut up the COPS ARE COMING!

BLUE

They're not cops they're demons!

RED

(chill)
Oh really?

BLUE

WHY DO DEMONS SCARE YOU LESS THAN COPS?

RED

Demons don't have guns!

SCENE 10 - THE MAST AND THE FURIOUS

EXT. JAPANESE HARBOR - DAY

Red and Blue crash land onto the canopy of a Japanese

fishing boat, the Demon Army hot on their heels. There are THOUSANDS of Ninjas now chasing after them. Red and Blue take off, leaping along the boats to get away. It's dubstep time.

BLUE

I should never have gone on this stupid quest! I would have been better off getting her that bear trap!

RED

Oh, you mean that sweet hat?

Escaping, Red and Blue jump from boat to boat but the Ninjas kung-fu flip over every obstacle. Red kicks away a ladder the Ninjas are climbing, but several more pile on slamming it back down. The two leap down a stairwell and activate a fishing boat's net which scoops up several Ninjas.

Running at full tilt, Blue trips sending the hilt flying. He roll-dodges just in time as katanas come swishing down for his neck. Red saves the day by punching a Ninja onto the deck which catapults the hilt into his hands. In seconds they're off again paddling on rowboat to the next ship, fighting Ninjas with oars.

The battle turns deadly when Red harpoons several Demon Ninjas, pinning them to the wall like Japanese kebabs. They're about to make their escape when a Demon Ninja throws a shuriken, snapping a rope that grabs Red and Blue by the ankles and yanks them up onto the top of the mast. Another Demon Ninja chops the ship's mast in two and the whole thing tilts over with Red and Blue hanging on!

Nearby there is a small cargo boat with two men loading supplies. All of the boxes appear to be high-explosives.

SAILOR BRENDAN

Be very careful with that dynamite, it's going to the explosion factory.

The mast crashes on the cargo boat and blows up Gangnam Style. Ope! Red and Blue jump through the air, propelled by the blast. Demon warriors go flying and Blue and Red land in a small lifeboat that is full of fish.

BLUE

Holy crap, we made it... And we're floating away!

RED
Whatchu talkin bout?

The current swiftly pulls the boat away from the harbor.

BLUE
I mean the tides are carrying us
out to sea!

RED
Aww yeah, Bermuda Triangle here we
come!

BLUE
Well, what are we gonna do!?

RED
I dunno. But hey at least we got
sushi!

Red starts eating a fish as Blue screams.

RED (CONT'D)
See ya Japan! You stay crazy!

From the shore Blue's screams echo across the harbor as
Lord Takagami watches Red and Blue float out into the
ocean.

SCENE 11 - ROW BOAT TRIIIIIIIIIIIIPPP!

EXT. OPEN OCEAN - DAY

Red and Blue float out alone into the middle of the ocean
alone as rain starts to fall.

RED
Row boat Triiiiiiiiiiiiiiiiiip!!!!

BLUE
Would you shut up! I don't know if
you've noticed or not but we're in
some deep shit!

RED
Uh, I believe it's called a "Row
Boat".

Red knocks on the side of the boat for emphasis.

BLUE
That isn't funny! We're stuck in

the middle of the ocean with only the hilt of this stupid sword and now we're gonna die out here and I'm gonna miss Pink's birthday!

RED

I don't know why you're doing all this crazy stuff for her anyway. Who cares?! She's just a girl!

BLUE

Well I... love her okay?! That's why.

RED

Whaattt doooooesss that meeeeaann??

BLUE

Wait, you really don't know what love means?

Red is sitting blank faced in the other side of the boat.

BLUE (CONT'D)

Course you don't. It's... It's this feeling you get when you see someone... Deep down inside of you. Your heart starts pumping and you just feel happy all over. It's the strongest and most wonderful feeling you can have for somebody.

RED

So you mean a boner.

BLUE

No!

RED

Dude I'm in love all day!

BLUE

You are such an idiot.

RED

I wouldn't do all this for a boner, I'd just go online and look up pictures of your mom!

BLUE

Shut up! I'm doing this because I think she's in love with me too.

RED
Haha no way man, she likes ME.

BLUE
What?!

RED
Yeah dude, she's always givin' me those dirty looks. MMmmm!

BLUE
Cuz she hates you! Red, not every girl in the world thinks you're cool-hot shit.

RED
Yeah they do! Why do you think I beat the crap out of all those bullies way back in kindergarten?

BLUE
To save my life?

RED
Hhahahaha what?! No! Dude I was tryin' to impress all those chicks.

BLUE
WHAT!?

RED
Yeah! Worked pretty good too.

BLUE
You've beaten me up, embarrassed me, screwed my ex-girlfriends, crapped in my bed, stolen my shit, eaten my food and taken my money for YEARS and I stayed friends with you this whole time because for some reason... I actually thought you were my friend too!

RED
Well you must feel pretty stupid.

Blue goes nuts and attacks Red.

BLUE
FUCK! YOU!

They fight in the rowboat as a storm appears overhead. Things get tipsy on the ocean.

BLUE (CONT'D)
 You're such an asshole! I can't believe you let me think we were actually friends!

RED
 Maybe I would be friends with you if you weren't such a goddamn loser all the time!

They beat the shit out of each other.

BLUE
 I'M a loser?! I caught you masturbating to animal planet!

RED
 That was ONE time! You're just racist against elephants!

BLUE
 I can't believe I stuck by your side for twenty goddamn years! I'm not your friend ANYmore!

RED
 Good! I'm not yours!

BLUE
 Great!

RED
 Awesome!

BLUE
 Good!

RED
 I'm glad!

They start strangling each other until a bolt of lightning blows up the boat. They pop out of the white caps, drowning to death, just as a huge wave arcs overhead and smashes into them. Darkness... The sadddnneessssss..... We see Blue's phone plummet into the sea, Pink is calling. It shorts out and dies.

SCENE 12 - PLAYGROUND NIGHTMARE

EXT. SCHOOLYARD - DAY

Nightmare/flashback of the opening sequence, but everything

is slightly different. Red looks off camera at all the girls in school as he beats up a bully.

RED
Hey baby, this one's for you.

STACY
Oh my god, who is that?

Stacy and Pink swoon. Red blows a kiss as he flies through the air. We see the CUZ IM AWESOME high five, and then Red turns to the girls.

RED
Sooo what are you doin' after recess?

SCENE 13 - BURRITO ISLAND

EXT. DESERTED ISLAND - DAY

Blue jolts awake on the beach of a tropical island. He looks over and sees Red face down, dead in the water.

BLUE
Holy shit. Red? Red, are you dead?

Suddenly Red flips with shades on.

RED
Nah man, just tannin' my back!

BLUE
Goddamnit.

Blue gets up and starts looking around.

BLUE (CONT'D)
Where ARE we?

Cut wide to see the whole jungle island.

RED
(Jamaican-Accent)
We're in paradise mon! Bbbrbrbrbap
brap bap booww!!!

BLUE
No we're not! We're on a deserted island!

RED
We should really sail to Dinner
Island first-

BLUE
No, DESERTED isl-- oh my god.

RED
Is there a Burrito Island? That
sounds way better.

Blue sits down onto the sand and starts having a breakdown.

BLUE
Oh my god. Oh my god I'm actually
gonna die. I'm gonna die next to
an asshole and I'll never see
Pink's boobs again!

RED
Yeah, and I'm getting real worried
this place doesn't have internet.

BLUE
Oh shit, maybe...

Blue pats his pockets. (He has pockets?!))

BLUE (CONT'D)
Oh no, where's my phone?! Wait,
dude didn't you eat a bowl full of
tiny cell phones for lunch?

RED
Oh yeah!

Red attempts to fart out the phone but is unable to. He
grunts, groans and makes horrible noises as he tries to
poop out the phone.

BLUE
Dude!

RED
Ugh, it's not coming out.

Red tries to punch his own stomach. He still can't poop out
a phone.

BLUE
Here, let me try.

Blue punches Red super hard in the stomach.

RED
OW. Not so hard, asshole!

BLUE
How about this?

Blue punches him even harder.

RED
STOP IT!! Let me just try and dial
it... with my butt muscles.

Red grunts and squirms as his butt muscles actually dial
the phone.

BLUE
Yup. This is my nightmare.

The phone rings.

BLUE (CONT'D)
Huh! It's ringing!

Blue puts his head to Red's butt.

BLUE (CONT'D)
I can't believe I'm doing this.
If you fart I'll kill you.

RED
Careful! If I fart, I'll kill you.

A sexy lady picks up.

SEXY LADY (O.S.)
Hello, you've reached the Global
Rescue Services, ready to rescue
you wherever you are, especially
if you're stuck on a deserted
island.

BLUE
Hello? Can you hear me?

Red bends over and talks to his crotch.

RED
Well hello yourself, baby. You can
rescue me anytime. What are you
wearing, what are you doing?

SEXY LADY (O.S.)
Oh you know, just bored at work. I
get off at seven if you wanna meet

up at Burrito Island and--

Red farts in Blue's face.

BLUE
Oh my goooood!

RED
Op... I think I broke the phone.

Blue loses it.

BLUE
SCREW YOU!

Blue kicks Red into the sand then marches away.

BLUE
That is it!

RED
Where you goin'?

BLUE
Home! You can finish this goddamn
quest on your own.

RED
I KNEW you were a pussy!

Blue looks back for a sec but then walks away.

SCENE 14 - ONLY YOU CAN START FOREST FIRES

EXT. DESERTED ISLAND - DAY

Blue trots into the forest and slaps a bush.

BLUE
This was the stupidest idea!

Red is still on the beach and slaps on some shades.

RED
Stupid lame ass Blue. That sword
is gonna be TIIGGHHHT!

He pulls up a reflective tanning thing.

RED
We didn't start the somethin'. It
was always fire til the world was

fire--

He passes out. A moment passes and he sizzles. Then BOOM his whole upper body catches on fire. Red pops up screaming and runs towards the ocean. Right before he gets in the water he turns and darts right into the forest. BOOM the forest catches on fire.

Elsewhere on the island, Blue emerges into a beautiful oasis with chirping birds and a waterfall streaming into a lagoon.

BLUE

Wow, this place IS paradise. The sun is so warm. The water... SO CLEAR. The sand... like diamonds, beneath my feet. The air smells so sweet, smells like... SMOKE?

Blue peers down the mountain and in the distance sees a huge fire raging. There is tons of smoke.

BLUE (CONT'D)

RED!?!?!?

Back on the beach, Blue dashes out of the forest. Red runs out on fire and dives towards the ocean. The wave retreats and he slams face first into the sand, as he gets up the wave bowls him over putting him out.

BLUE (CONT'D)

Red! What did you do!

RED

What?

Red looks at the burning island.

RED

Oh *that*.

BLUE

You ruin everything!

RED

It's not that bad.

BLUE

We're gonna be burned alive!!

We hear a deep rumble.

BLUE (CONT'D)

What is that?

RED
King Kong!

BLUE
Is that a plane?

RED
Bees!

In the distance, Blue sees the outline of a huge airplane.

BLUE
Holy shit it is a plane!

RED
Sky demon!

CROOKYGRIN
Cheerio old chaps! Grab ahold!

A big ol' WWII bomber (B25 Mitchell) swoops in low and drops a rope ladder out the bomb bay doors. The plane buzzes the beach and they hop on as the whole island catches fire. The plane soars into the clouds.

SCENE 15 - CAPTAIN CROOKYGRIN

INT. CROOKY'S PLANE - DAY

Red and Blue climb into the plane panting as the bomb bay doors close behind them. An old RAF pilot, CAPTAIN CROOKYGRIN, with flight goggles and a crazy moustache, whips around from the cockpit.

CROOKYGRIN
Perfectly executed signal flare,
old chaps. Spotted it a fortnight
away! Still, damn shame you burned
down Burrito Island.

RED
That...was Burrito Island?!
NOOOOOO!

CROOKYGRIN
Or maybe it was Booby Island.

RED
NO!!!!!!!!!!

BLUE
Who are you?

CROOKYGRIN
 You're flying with Captain Major
 Lieutenant Crookygrin, Private
 First Class, Retired.

We see Crooky standing on a plane...that he crashed
 horribly into the ground.

BLUE
 You're a pilot?

CROOKYGRIN
 And an alcoholic! 1000 flights,
 1000 crashes! Perfect record.

The plane veers off. Crooky BARELY catches it.

CROOKYGRIN (CONT'D)
 Op-op-opp! Trying to flip us over
 you old bitch!? Did I mention I'm
 blind? Alcohol blindness.

RED
 You and me both brotha.

Red and Crooky go to high five and totally miss. Crooky
 guffaws.

BLUE
 What are you doing flying all the
 way out here?

CROOKYGRIN
 On my way to gay Parie. I'm
 meeting an old friend from the
 war, Colonel Dingleberry.

BLUE
 Mr. Dingleberry?

We see the two old geezers in a crater, about to meet the
 business end of a missile.

CROOKYGRIN
 He was a private when I knew him.
 Haven't seen him since D-Day, Or
 Dingle-Day as he liked to call it,
 ho-HO. We're on a top-secret
 mission to stop two blokes from
 finding the Great Sword of
 Destiny!

Red and Blue look at each other, worried.

BLUE
Uh, what two blokes?

CROOKYGRIN
Oh the dossier said their names
were, what was it... Red and Blue!

He turns around crazy-like. Still super blind. Red and Blue
are tents.

CROOKYGRIN (CONT'D)
Say! Tell an old blind man your
names.

BLUE
Uh, Tom.

RED
And... Tom.

CROOKYGRIN
Tom and Tom! Not enough Toms in
the world I always say, by Jove!

BLUE
Fer sherrrrr.

RED
Fer sherrrrr.

CROOKYGRIN (CONT'D)
This mission's important to me
lads. SO important... that I've
quit drinking!

He turns around. BWAGH!

CROOKYGRIN (CONT'D)
In fact, I think my alcohol
blindness is being cured as we
speak. I... I think I see a cloud.
And an Eagle! Bastard. My god, the
sun!

BLUE
(whispering)
Oh shit! He's gonna see us, what
do we do!?

RED
Run away man!

Red and Blue run to the back of the plane.

BLUE
Dude we're screwed!

Red spots some crates full of liquor.

RED
Maaaaaybe not. You thinkin' what
I'm thinkin'?

BLUE
Never.

RED
We just get this guy sloshed and
he'll be blind as a pelican!

BLUE
Pelicans aren't blind--

RED
Come on!

Red grabs some bottles and runs back up front.

RED (CONT'D)
Here, Crooky! A toast, for good
luck!

Red holds out a bottle.

CROOKYGRIN
Noooo no, I mustn't have a drop.
The fate of the Queen depends on
it!

RED
Wouldn't be very proper to turn
down a shot of English Gin would
it?

CROOKYGRIN
Bitch, proper is my middle NAME!

Crooky downs it and Red does too.

CROOKYGRIN (CONT'D)
WHOOOO tally ho!

SCENE 16 - GIN & JETPACKS

INT. CROOKY'S PLANE - DAY

Just then there is a huge crash and the plane jolts.

BLUE

See?! I told you this was a bad
idea!

It happens again.

RED

Dude, you are a light-weight.

CROOKYGRIN

Balderdash! I know that sound...
Gentlemen, we're under attack!

The demon army is back, in jet packs, with machine guns!

BLUE

Holy crap, are you serious?

CROOKYGRIN

Don't worry chaps, there's a 50-
Cal on the top turret. One of you
old boys be a sport and fend off
those Jerries for a pip will you?

RED

Aight. You shoot the machine gun,
I'll keep the old guy flying the
plane blind.

BLUE

That is THE worst plan I have ever
heard... Alright, fine. But in
case I die, I still hate you.

Blue heads to the back.

RED

I hope they shoot you in the
faaaace!

Blue mans the turret and swings the barrel around to the
back. There are Jetpack Demons everywhere. Takagami swoops
in.

TAKAGAMI

Seize their souls!

BLUE

Oh shit! Jetpack demon ninjas!!!

Meanwhile, Red continues to fill Crookygrin (and himself) with drank.

RED
We toasted to you, so now we gotta toast to me.

CROOKYGRIN
Well, it's only customary... to TOM!

RED
Who?

Crooky takes a shot. Back outside, Blue mans up.

BLUE
Okay... I got this!

Blue is on the 50 cal lightin bitches up. The plane dodges around, avoiding the ghost ninjas.

BLUE (CONT'D)
Nice evasive maneuvers!

Crooky is SUPER drunk and not really flying.

CROOKYGRIN
You leave my mother out of this you twat!

RED
To mothers, everybody's got a mother.

CROOKY
Your mum's got a mother, hahaha!

They down some shots and Crooky blacks out. He smashes his face onto the joystick and puts the plane into a loop. Blue freaks out, puking everywhere, then wipes it away and keeps shooting.

BLUE
Oh my god, I just puked.

RED
Don't get cocky!

CROOKY
Crooky?

He takes a shot. The plane soars through the clouds. One Jetpack Ninjas is on a collision course with some clouds.

NINJA
Cumulonimbus- NO!

The Ninja EXPLODES upon hitting the white fluffy cloud. The plane exits the cloud bank and we see Paris. The altimeter rapidly spins down.

RED
Whass, whazzur favrit animal?

CROOKY
I like the color green a lot, but
also the bathroom because that's
where you can barf. BARF!

Blue picks off the last of the ghost ninjas. They explode in gloriously animated 2D.

BLUE
Hey! Hey I got the last one! You
guys see that- of course you
didn't huh! do you guys see that!?

Blue sees that they're flying right into Notre Dame. Blue climbs down from the turret.

BLUE (CONT'D)
Dude! Pull up! We're gonna crash!

CROOKY
Are you hungry?

BLUE
WE GOTTA PULL UP RIGHT NOW WE'RE
GONNA CRASH!

Blue grabs the controls and yanks them back. The plane banks up and barely makes it out of the way. It crashes onto the street and skids into a very French scene. A mime mimes "Oh no!" but the plane slides to a stop right in front of him. He mimes "phew!" Somehow the plane scoots forward and crunches the mime to death. Inside the plane Red and Blue are sprawled.

BLUE
Everyone okay?

RED
Auugh, I'm fine.

CROOKYGRIN
I'm dying.

BLUE

Oh Shit!

RED

Oh shit!

Crooky is in his seat, well-tossed. He's bleeding and has glass in his head. Blue catches him as he falls out of his seat.

CROOKY

Oh god.

He coughs feebly.

CROOKY (CONT'D)

Here... take this.

BLUE

What is it?

Crooky hands them a letter.

CROOKY

You two must finish my mission now. Stop those bastards Red and Blue from finding the Great Sword of Destiny. It's hidden atop... Le Tour Eiffel...

BLUE

What does that mean?

CROOKY

I'm counting on you, my dear Tom and Tom.

BLUE

No wait! What is le Tour Eiffel?

CROOKY

Another flight, another crash... perfect record. Ughhhhtallyho.

Crooky dies very properly and Blue lets him drop between the seats.

BLUE

May the Eagles carry you up to Heaven.

RED

Haha that dude's gonna have a hang over tomorrow. Ooh wee!

Red and Blue climb out of the wreckage into the city street.

BLUE

Dude wait! Since it looks like we're stuck together, we may as well work together.

RED

I mean I GUESS it was pretty sharp shooting up there with those ninjas even though you barfed like a loser.

BLUE

Shut up. Come on, let's go find that blade!

Red sees a sexy French waitress working at a nearby cafe.

RED

Oh-lala! I'm gonna go probe this waitress for information. Mmmm!

BLUE

Wait? You're gonna do what? Red, where're you going?

Red and Blue run off towards a cafe while across the street... Someone is watching. A newspaper lowers revealing Dingleberry. WHAT!?!?!?

SCENE 17 - GOT THE BLUES

INT. PINK'S APARTMENT - DAY

Pink tries calling Blue and gets his voicemail for the millionth time.

PINK

Pick up pick up pick up-

BLUE'S VOICEMAIL

Hey it's Blue, just text me no one listens to voicemails. BOOP!

PINK

Hey Blue, it's Pink, just calling you for the hundredth time. Where have you bee--

VOICEMAIL
Mailbox full. You crazy.

PINK
Dammit!

INT. STACY'S APARTMENT - DAY

Pink bikes up to Stacy's apartment in the ghetto. SUPER rough area with gunshots and dogs barking all over the place. Inside, we hear bumping music coming from Stacy's apartment. Pink knocks and a few seconds later Stacy answers.

STACY
Sup betch!

PINK
Hey Stacy, you haven't seen Red around have you? Blue hasn't been answering his phone for like two days.

STACY
Who's Red?

PINK
That guy you have sex with every day...

We see Stacy's Sex Calendar which shows that she has sex with Red every single day.

STACY
Which one?

PINK
The one with the hat...

STACY
Ohhhh... Steven?

Steven comes to the door in a HUGE sombrero.

STEVEN
Sup babe, you ready for round tres?

Pink walks away as mariachi music blasts.

PINK
Ughh, Nevermind.

STACY
Brad, when'd you get that hat?

SCENE 18 - CAFE TOURETTES

EXT. CAFE TOURETTES - DAY

Outside the cafe, Dingleberry puts a hand on the plane.

DINGLEBERRY
Sorry we couldn't meet again, old
Crookygrin, but I'm sure I'll see
you soon. I'm SUPER old.

CHAD-GENDARMERIE
Are you sure it was Rouge et Bleu?

DINGLEBERRY
Oh yep, they went that-a-way.

CHAD-GENDARMERIE
Fantastique! We will find them no
matter what. Gendarmerie,
mobilizement!! Comb the area and
your moustaches. Especially you,
Jacques.

JACQUES BON
(Combing)
Oui.

The Gendarmerie (that's French for cops) all spread out, chanting, "Hon. Hon. Hon. Hon. Hon-" as they go. A shadow passes over Dingleberry and he looks up. It's Tak-dawg being a creeper.

TAKAGAMI
Excellent work, Colonel
Dingleberry, the sword is safe
thanks to you.

DINGLEBERRY
You said I'd get a reward?

TAKAGAMI
And you shall. You'll be seeing
your friend Crookygrin sooner than
you think.

Takagami stabs Dingle in the guts.

DINGLEBERRY

Oh shit! Should have seen that
comin'.

Dingle dead.

INT. CAFE TOURETTES - DAY

Red is making out with le waitress on a table. Hawt. She's
licking his face.

RED

Yeee lemme show you how to French
kiss.

WAITRESS

Why don't you show me your Tour
Eiffel instead.

RED

Hahaha what?

Blue runs up.

BLUE

Red? What are you doing?

RED

Beat it man, we're kinda having a
private moment here.

ZOOM OUT to see Ctp DJ and his wife at the table. A waiter
is standing by the table as well. Red and the waitress
don't care and continue to make out.

CAPTAIN DJ

Garçon! There seems to be an
asshole in our soup.

Red, who has his butt in soup, farts and makes bubbles.
They leave and we zoom back in a bit.

BLUE

Dude! Takagami and those ninjas
could still be out there. We gotta
find le Tour Eiffel!

Cut in to Red and girl.

RED

Don't worry about him. Why don't
you escargot get us a bottle of
wine?

She giggles and they roll off the table. She sits up and puts her hair up as Blue grabs the phrase book left by Cpt DJ and flips to a page.

BLUE

Uh... "Il a beaucoup des crabes pénis."

English subtitles: HE HAS LOTS OF PENIS CRABS. The waitress looks at Red in disgust and promptly leaves. Red gets up and hops into a chair next to Blue.

RED

Don't forget that bottle of wine!

BLUE

Seriously? We don't have time for this.

RED

Have you SEEN this place? There's wine and women EVERYWHERE!

Wide shot of the Cafe. The plane bursts into flames.

RED

We're in paradise monsieur!

BLUE

Nope, this is Paris. We gotta find that stupid blade and get outta here.

RED

Auuuuugh. Why are you always bossing everyone around? What are you, the king of Europe?

BLUE

We just don't have time for another interrup--

The lights go off. There is a microphone squeak.

BLUE (CONT'D)

--tion...

Accordion music begins to play and we see Lord Tourettes is on stage. The audience applauds.

LORD TOURETTES

(singing)

Fromage... Fromage. In France it's called fromage. It isn't a

mirage... Better pay it some
 homage. Baguette! Baguette! It
 looks just like a DICK! You bake
 it in the oven and it smells just
 like a SHIT! Cause France's
 favorite meal is
 DEADBABYNAZIASSCHEESEPOWERFART!

There is a momentary pause, then the fans explode into
 applause. They love swearing.

FRENCHMAN

(weepy)

Oh! He swears just like my son.

RED

Dude, is that Lord Tourettes?

LT waves to them.

LORD TOURETTES

Hello BUTTFUCKERS!

BLUE

Yeah, that's Lord Tourettes.

LT jumps down onto their table.

RED

Dude, what're you doing in Paris?

LORD TOURETTES

Playing the accordion.

BLUE

But why are you in Paris?

LORD TOURETTES

To play the accordion!

HE throws his accordion into the air. It lands in Cpt DJ's
 soup.

CAPTAIN DJ

Garçon, I believe there's an
 accordion in our soup.

The waiter slaps him so hard he passes out into his soup
 bowl too.

CAPTAIN DJ'S DATE

Uh garçon, I believe there is a
 man in our soup.

Back at Red and Blue's table...

LORD TOURETTES
What are you two doing here?

RED
We're here to play the accordion
too.

LORD TOURETTES
Really?

BLUE
NO!

RED
Wait we're not?

BLUE
No, we're trying to find something
called "le Tour Eiffel."

LORD TOURETTES
Le Tour Eiffel. Oh! You must mean
"The Eiffel Tower."

BLUE
That's what it is??

RED
FRENCH IS RETARDED!

The doors burst open and the French police rush through.

CHAD-GENDARMARIE
GENDARME! ARRETEZ-VOUS! Spread
out. Find those assholes Rouge and
Bleu...

Blue looks over and sees all the cops.

CHAD-GENDARMARIE (CONT'D)
...And KILL THEM!

BLUE
Aah, get down!

Blue pulls everyone down.

RED
(Starting to dance)
I'm always gettin' down. Down down
down.

CHAD-GENDARMARIE
No one kills a mime in my town.

BLUE
Stop it! Now the French police are
trying to kill us too!

RED
This quest sucks. Who's dumb idea
was this?

BLUE
Yours, numbnuts. Now shut up and
hide.

Blue hides under the table, but LT doesn't know where to
go.

LORD TOURETTES
SHIT!

LT runs over and a woman mistakes him for a waiter.

LE MOM
Waiter, do you work here? We
ordered crab legs.

LT sees Chad-Gendarmarie walking up.

LORD TOURETTES
Ooh, why... yes you did! They're
right here.

He looks around then spots a covered dish, but Chad-
Gendarmarie descends upon him.

CHAD-GENDARMARIE
Waiter! Have you seen these two
men?

He holds up a picture of Red and Blue.

LORD TOURETTES
Uhhhh...

LE MOM
Our crab legs?

LORD TOURETTES
(To Chad)
Un moment, monsieur.

He opens the lid and we see Red in crap pose. He looks
horrifying. Chad-Gendarmarie AND LT gasp.

CHAD-GENDARMARIE
 Yeesh. Your food looks...
delicious!

A little boy takes one of Red's arms and tries to pull it off.

LE BOY
 Mama, the crab's legs won't come off.

LE MOM
 You must first crack the shell.

The boy takes the pliers and breaks Red's arm. He starts bleeding and his face goes crazy.

LE MOM (CONT'D)
 There you go, take a bite.

The little boy starts eating Red's arm and Red starts silently crying.

CHAD-GENDARMARIE
 My, your food is cooked so fresh,
 it is still crying! May I... try a
 bite?

LE MOM
 Please! It is too much for us.

CHAD-GENDARMARIE
 Merci Beaucoup!

Chad takes Red's other arm and breaks it in half and starts eating too.

CHAD-GENDARMARIE (CONT'D)
 Mmmm. It is... rather tender!

LORD TOURETTES
 It's our... uh... most famous
 dish!

CHAD-GENDARMARIE
 Men! Men! You must come over and
 try this crab!

Red is terrified. Just then, Blue, who is watching crouched behind a table, sees Cpt DJ's hat. He takes it and runs up to Chad.

BLUE
 Monsieur! We have finished our

sweep. Rouge and Bleu are nowhere to be found.

CHAD-GENDARMARIE
 Very well. We will return tonight... For dinner! And make sure you have plenty of crab! Gendarmarie! Mobilismon! Check the next restaurant!

The cops leave and Red is broken and crying.

RED
 Take me back to the ocean.

BLUE
 Come on, dude. Be quiet and we can get outta here.

Red farts. The cops stop.

TOMSKA GENDARME
 Did that crab just fart?

CHAD-GENDARMARIE
 Crabs do not have BUTTHOLES!

RED
 AAH! Don't let them eat me!

CHAD-GENDARMARIE
 Open fire!

They all scream and bolt as the Gendarmerie fire on them.

EXT. ALLEYWAY - DAY

They run out the back alley and to a car.

BLUE
 We gotta get outta here!

LT smashes the window and opens the locks.

LT
 Get in! Ima hotwire this SHIT!!

They pile into the car.

BLUE
 Come on!

RED
I'm not goin' to jail again!

The car starts.

BLUE
Thank god. Lord Tourettes, can you
get us to the Eiffel Tower?

LT
You bet your sweet ASS! Now BUCKLE
THE FUCK UP!!! It's gonna be a
bumpy ride.

LT peels out.

SCENE 19 - BAGUETTE-AWAY

LT stomps on the pedal and floors. The cops charge out of the restaurant and fire at the escaping car.

CHAD-GENDARMARIE
(On the radio)
Alert all units! Get me
eeeverythinggg.

EXT. PARIS STREETS - DAY

The car weaves through the alley and onto the street but its blocked off by police.

POLICE MAN
Freeze, Americans!

They spin a one-eighty and race the other way. Within seconds, police cars speed after them, sirens blaring, while a helicopter drops in from the sky. Two motopoz with guns pull up next to the car and box them in. Red kicks one of the bikers off. The biker gets crushed by a truck. Blue knocks the other one off, and the bike is tipping as it drives forwards. Red climbs out the window.

RED
I'll be back!

He jumps out of the car and onto the motorcycle. Red peels off, still following LT, and leads a motochase through the city, dodging bullets, oncoming cars, and finally launching over the center divide as Blue and LT watch, stunned, through the windshield of their car. The police try to do the same but get obliterated by oncoming trucks.

Red takes the chase up onto a raised marketplace, weaving between the stalls. He's a killer motocyclist and makes the others crash with his sweet skills. At one of the market stalls, an umbrella man holds up umbrellas for sale.

UMBRELLA MAN

Umbrellas! Get your umbrellas!
Hey!

Red grabs the umbrella out of his hands as he passes by on his bike. He leaps off the raised ledge, bouncing off of parked cars, and smashes a policeman in the head. He crashes into an incredible ball of fiery fire. A helicopter comes down and starts sniping the car. They fly overhead and a Le-SWAT officer jumps out onto the roof.

LT

Take the wheel BITCH!

Blue drives while LT climbs out onto the roof and beats the shit out of the officer with his accordion. LT is almost beaten, but uses his accordion to knock Le Cop to his death. He then uses it to sling onto the chopper's skid and climbs in. He takes out the pilot and now is flying the helicopter overhead. He uses the helicopter's guns to take out some po's.

BLUE

Where are we going?

LT

Follow me! I'll guide you to the
COCK of Paris!

BLUE

The what of WHAT!?

In the helicopter, LT guides Blue through the streets. Red jumps off his motorcycle and hijacks a truck, ramming other trucks into buildings and shit.

RED

Chases are great.

Suddenly, a police car blitzes out from an alleyway cutting him off. Red crashes full on into it and is sent flying through the windshield. He tumbles into the streets. As he looks up he gets clocked in the face by a baton and eats shit. French SWAT vans are driving right towards him.

BLUE

Red!

Blue sees him and swoops in for the rescue. He drifts the

car hard in an arc around Red, smashing the van into the wall (it blows up hard, tossing Red into the back seat like a badass.

RED
Holy crap... I almost died!

BLUE
You're welcome, motherfucker.

Blue and Red are coming up on a dead end. The entire French police force behind them. There's nowhere else to go.

LT
Grab on!

LT lowers the chopper and Red and Blue grab on. They pull up just as the car hits the dead end and explodes. The three escape in the helicopter above the streets of Paris to the applause of everyone in the audience.

SCENE 20 - THE COCK OF PARIS

EXT. EIFFEL TOWER - DAY

The helicopter flies towards a shittily drawn Eiffel Tower. LT points.

LT
There it is! Le Tour Eiffel!

Cops surround them as they fly in closer.

LT
Fun fact, this tower was ERECTED
in 1889!

BLUE
Gross.

As they approach the tower, all three bail and just let the helicopter explode on the ground. So lazy. There are cops EVERYWHERE.

BLUE (CONT'D)
Oh crap, they got us surrounded!

Chad-gendarmerie shouts up to the criminals on the Eiffel Tower.

CHAD-GENDARMERIE
Oh ho, you are surrounded! Get off

of our cock!

RED
You get offa MAH cock, dick!

CHAD-GENDARMERIE
HUH! How DARE you!

ASSISTANT COP
Be careful, he curses well.

BLUE
LT, can you hold them off while we
get the blade?

LT
Leave it to meeeee!

BLUE
Come on!

Red and Blue start climbing to the top. LT pulls out his
accordion and starts singing a lullaby.

LT
Go to sleep, mes petites, and
dream of fresh baguettes. Drink my
wine, my sweethearts, AND MY
FUCKING ASS SHARTS!

Below, all of the cops start to sway and fall asleep.

CHAD-GENDARMERIE
Zut alore! I am becoming very le
sleepy...

Red and Blue approach the top.

BLUE
Uh... Now what?

RED
Stick it in. STICK IT INNNN!

BLUE
You're such a creep.

Blue takes the hilt and places it top down on the top of
the tower. There is a flash and he pulls it out, this time
with the sword's blade attached. He and Red marvel at it.

BLUE
Whoaaa. Two pieces down, one left
to go. I wonder what that last

piece is?

RED
I hope it's a dragon.

BLUE
I really don't think it's a
dragon.

Red and Blue climb down to Lord Tourettes.

LT
(whispering)
Oh splendid! You found it!

RED
Yeah, but we're still missin' dat
last piece.

BLUE
Oh wait! The letter!

Blue pulls out the letter and tried to read it.

BLUE
Dammit, it's in French.

LT
I can read it! It says the last
piece of the sword is a FHSDKF!

Red and Blue shush him as he begins cursing.

LT
Gem! It's a gem. And it's hidden
in ASS-huxbyt... in a mountain,
behind your TAI0asfrsd home town.
Fantastique!

RED
Really? Tres bon!

BLUE
Yeah that's super convenient.

LT
Good Fkckkccing luck you two! I
hope you find... your destiny!

BLUE
Aw man. Thanks Lord Tourettes! See
ya!

RED
Adios lil Green man!

LT
Au revoir MOTHERFUCKERS!!!

All the cops wake up.

RED
AGH RUN!

Red and Blue hop over the edge of the balcony and scale down so fast. LT cocks a glock.

CHAD-GENDARMARIE
Don't let them get away! They have defiled France's cock!

We zoom far into the background revealing Takagami hiding in the bushes like a creep... As always.

TAKAGAMI
That sword will be MINE.
Oooooohh....

He sinks slowly into the earth.

SCENE 21 - MAPQUEST

We see a map version of Red and Blue's travels back home, Indiana Jones-style. Run to a car. Car to the airport. Plane over the ocean. It crashes. Picked up by a boat. It sinks. Submarine to the coast. Turtle dragons to the shore. Motorcycles on the highway. Arrive at a rocket. Blast into orbit, separate, parachute down into a train. Train across country. Detach and handcar into a subway station.

NARRATOR
And so Red and Blue escaped from the Takagami Demon Army and the French Police and took a long convoluted map journey home... To find the last piece of the Great Sword of Destiny so Blue can give Pink a birthday present or something. I dunno this movie's crazy. Am I in your mind... Or are you in mine!? AGH!!!

The narrator blows his brains out.

INT. TRAIN STATION - DAY

Red and Blue hop off into the station just as the metro train smashes the little hand-car.

BLUE

Ugh, I am never taking a plane-boat submarine-turtle-dragon-motorcycle rocket-parachute-train-handcar AGAIN!

RED

Yeah, I mean probably not.

SCENE 22 - RED & BLUE ADIEU

EXT. CITY STREETS - DAY

Red sprints topside and gasps at all the buildings around him. We see a bar, marijuana shop and strip joint.

RED

Ah America. It's good to be back.

Blue walks up and pulls out Crooky's letter.

BLUE

Ok, according to LT the Gem of the Sword is hidden in a mountain. Are there any mountains around here?

Pan up... HUGE ass mountain in the background.

BLUE (CONT'D)

Huh, I never noticed that before.

Stacy swags up.

STACY

Sup boyz!

RED

Stacy!? I see two mountains right here.

BLUE

Oh crap not now. Dude, we don't have time for this!

RED

Pshh it can wait a little bit, that gem hasn't gone anywhere for

like a billion years!

BLUE

Pink's birthday party is starting any minute! I gotta get there. No gem no sword, no sword no present, no present no Blue and Pink!

RED

Relaaaax, I'll just have a drink or two.

He's got a bottle in one hand and Stacy's smoochin' up on him.

BLUE

You NEVER just have a drink or two!

RED

I promise. Just a couple bottles and we'll have that whateveritis in no time.

He's got tons of booze and girls. This party's starting up behind him.

BLUE

Red, seriously, what the hell? We're so close!

Red now has shades on and it's a huge-ass party.

RED

Don't be such a stick in the butt dude! We made it home! It's party time, man! Hey laaaaaddieessss!!

The party limo-hummer drives up and Red hops in. That bass is BUMPIN'.

BLUE

I don't know why I ever trusted you! You never follow through on anything! This is the most important thing that's ever happened to me and you're bailing?!

RED

Dude there's boobs in here, what am I supposed to do?

BLUE
Be my friend!!

RED
Sorry bro, this train's leavin'
for Wasteface USA! Population,
deez hos, deez nutz and dis bottle
of jack! Get over here gurl and
putcho face on mah sack! WOOO!

The hummer drives off leaving Blue in a cloud of smoke.

BLUE
REDDDD!!!

Blue stands there all alone staring hopelessly at the mountain.

EXT. PINK'S ROOFTOP - DAY

At Pink's apartment's root top, the party is starting. Not too many people there yet. She checks her phone... No new messages. She sighs and puts the phone away.

ZACK
Dude, this party sucks.

ED
Eh, at least there's free beer.

PINK
Happy birthday to me. Happy
birthday where's Blue?

EXT. BASE OF THE MOUNTAIN - DAY

Blue is at the base of the mountain looking up, holding the sword.

BLUE
Jesus. That Raccoon's reward
better be worth it.

Blue gets out the sword and steels up.

BLUE (CONT'D)
I don't need that jerk. I'll do
this alone. This is for you, Pink.
I'm comin' baby. Time to get my
quest on! BEGIN EPIC MONTAGE!

BEGIN EPIC MONTAGE:

- Red parties with chicks and gets drunk.
- Blue climbs up the mountain but slips and falls down.
- Pink looks at a photo of Blue that is blown away by the wind.
- Red buries his face in some ta-tas.
- Blue tries again on a sure-footed ram, but this time he and the ram fall together.
- Pink looks at a photo of Blue on her phone which is blown away by the wind.
- The Raccoon trains against a straw dummy with his katana.
- Third time is the charm: Blue harnesses an eagle and tries to fly up the mountain but then both are tumbling down together. Somehow.
- Red passes out and hits his head on the bar.
- Pink looks at a photo of Blue on her computer on StickBook which is all blown away by wind. Also, somehow.
- Shots of Blue looking determined and climbing, the Raccoon training in slow-mo, and Red puking into the toilet.
- Pink stands outside her birthday party and starts weeping. Red, being driven in an ambulance to the hospital, sees this and has a change of heart... Maybe?
- Blue climbs up to the top of the mountain, but when he peers up is looking into the eyes of Takagami. Uh oh, he's captured.

SCENE 23 - GETTIN' MAH QUEST ON

INT. VOLCANO - DAY

A bag is pulled off of Blue's head and he looks around frantically.

BLUE
 Hey, what's going on? OH MY GOD!
 WHAT THE HELL?

Blue sees that he is tied up inside a huge-tall lava filled volcano. Ghost Ninja Warriors are everywhere.

T-Bone is on the other side holding the sword. He walks up to a sick pedestal. He plucks out the gem and puts that shit in the sword. WHOOSH! It's legit now. It's officially the Great Sword of Destiny. And it looks sweet. Magic sparkles!

TAKAGAMI

Oh my GOD, check this out! IT IS
SO COOL! ISN'T THIS COOL!?

Stabs one of his minions.

MINION

Oh, boss, that feels crazy.

Minion falls into the lava with a fiery POOF!

TAKAGAMI

I suppose we should be thankful,
Blue-san, you lead us straight to
the Great S-Word of Destiny. And
now, I am going to avenge every
person who has died EVER!

BLUE

Wait, what about people who died
of old age?

TAKAGAMI

Them too!

Blue struggles against his captors as they lead him to the edge of the precipice!

BLUE

That's a stupid plan! Now give me
back that sword!

TAKAGAMI

You're a stupid plan. Throw the
round-head into the volcano!

The minions shove Blue into the volcano. He screams as he plummets towards the BURNING la-VA, but then out of nowhere Red swoops in and grabs him. Takagami stands stunned, and just then the muthafuckin Raccoon swangs into this shit and snatches up that ghost knife.

TAKAGAMI (CONT'D)

MAH GHOST KNIFE!

Red and Blue swing over to a ledge and land safely.

BLUE

RED?! What are you doing here?

RED

After I finished drinking all those girls and screwing all that beer I decided I should come back... For mah friend!

BLUE

I must be dead.

The Raccoon calls across the cavernous volcano.

RACCOON

Blue-san! The Red one tells the truth. You have a very good friend indeed.

RED

You were right man. For once I gotta finish what I started. Plus that sword is pretty tight.

BLUE

That's what I've been saying the whole time! So you're back?

RED

I'm back dude.

The Raccoon and Takagami leap onto a ledge. Takagami whips out a katana.

TAKAGAMI

You... you're back?!

RACCOON

It is time to finish what I started 10,000 years ago.

TAKAGAMI

Are you still butt-hurt about that little Geisha you called a wife?

RACCOON

The only one who is about to be hurt... is you.

TAKAGAMI

You really think you can defeat all of us?

Gestures to badguys.

RACCOON
 Didn't you know? I can go all
 night baby. I'm nocturnal!

THEY LEAP AT ONE ANOTHER AND START TO FIGHT!!

SCENE 24 - ANIMALITY

INT. VOLCANO - DAY

The ghost ninja army descends on Red and Blue.

BLUE
 We're in for a huge fight aren't
 we?

RED
 You know it, try to take some
 notes.

BLUE
 Ya right, I didn't play all those
 video games for nothing.

They fight too!!! Red kicks ass with karate and Blue uses
 his video game knowledge to start throwin bows.

BLUE (CONT'D)
 A NEW CHALLENGER APPEARS! K.O.!
 FLAWLESS VICTORY! FINISH HIM! Oh
 my god, this is actually working!

RED
 Yeah dude keep doin it!

BLUE
 HADOKEN!

RED
 BRUTALITY!

BLUE
 ANIMALITY!

RED
 BEASTIALITY!

BLUE
 GROSS!

Elsewhere, the Raccoon and Takagami duel.

TAKAGAMI
You can't kill me, you're just a
stupid raccoon!

RACCOON
You need better insults!

The Raccoon chops off Takagami's mask and... he's ALSO a
Raccoon!

RACCOON (CONT'D)
HUH!!! Father-san?

BLUE
HOLY SHIT!!!!!!!

RED
HOLY SHIT!!!!!!!

POWER-FLASH-BACK! Takagami is training lil Raccoon in a
dojo.

TAKAGAMI
If you ever want to fight evil,
you must keep your elbows
straight.

RACCOON
Father, one day I want to go to
America.

TAKAGAMI
That is NOT a country yet!

BACK TO PRESENT DAAAAYY!

The Raccoon lowers his sword.

RACCOON
YOU are Lord Takagami?

TAKAGAMI
Did you ever wonder why we have
the same last name?

RACCOON
IMPOSSIBRRUUU!!!

Duel!! Best sword fight you have ever seen in your eyes.
Better than Hook versus Rufio. And twice as sad. The
Raccoon eventually beats Takagami, who falls to his knees.

RACCOON

Father-san, why did you become
soooo evil?

TAKAGAMI

I had to avenge all the people who
have died in the world!

RACCOON

But... by killing people aren't
you creating more people you need
to avenge?

TAKAGAMI

Yes. That way I can do this sweet
job forever!

RACCOON

You ARE evil!

TAKAGAMI

And you kept your elbows straight.

RACCOON

Sayonara, Father-san.

The Raccoon cuts off Takagami's head and he falls into the
lava. Red and Blue run off. We see the cliff the Raccoon's
on and Red and Blue climb up to him.

RED

Oh shit. Natures ninja!

BLUE

Raccoon, you okay?

RACCOON

I am... so sad.

RED

But you did it man! You friggin'
cut your dad's head off.

RACCOON

(Sighs)

It is true. Takagami is finally
defeated.

RED

Yeah, that hombre is muerte.

Everything starts rumbling.

BLUE
What is that?

RACCOON
.....OCHO muerte.

The face of Takagami morphs into Ocho Muerte as he emerges from the lava! OH NO WHAT??? The massive octopus blasts out of the lava and smashes apart the precipice sending Red, Blue and the Raccoon flying. Within moments, Ocho Muerte has climbed out of the volcano and disappeared.

RACCOON
FOLLOW ME!

They peek over the top of the Volcano. Ocho Muerte is descending on the city. Hella tents.

RACCOON (CONT'D)
Ohhhhhhhh Fuck.

BLUE
Hoooooooly SHIIITTT!! THAT'S Ocho Muerte??

RED
That is a BIG-ass sushi!!

RACCOON
Boys. Your town is in grave danger!

BLUE
Oh my god, Pink!

RED
She's probably fine.

Ocho smashes buildings.

RED (CONT'D)
...Okay we should probably get down there.

BLUE
Let's go!

RACCOON
Quickly! There is no time to rose!

The three leap over the edge and run towards the city.

SCENE 25 - THE GREAT FRIENDSHIP OF DESTINY

EXT. PINK'S ROOFTOP - NIGHT

Stacy is drunk as fuck and stumbles up to Pink.

STACY
Hey PANK! Have you ever met my
sister?

Pan to see Go Home Girl.

GO HOME GIRL
(whispering)
Happy birthday.

PINK
Thanks... I just wish Blue was
here.

STACY
Whatever betch, boys are
overrated.

OCHO SHOWS UP! Tentacles smash onto the roof. Pink and Stacy scream like girls.

PINK
What the fuck is that?!

STACY
Wow, this party's crazy.

Ocho slaps her away.

STACY (CONT'D)
Ow mah boobz!

Ocho climbs over the roof and shows his ugly ass face. Pink is scared. Pink defends herself with a chair but the octopus slaps it out of her hands. Another tentacle tires to grab her but the Raccoon chops it off! Pink gasps and looks back to see Red and Blue.

PINK
Blue!? What's going on?

BLUE
Sorry I'm late. It's a long story.

RED
Just like my dick!

BLUE
Really Red?

Raccoon stands on the edge of the building.

RACCOON

Ocho Muerte! Go back from whence
you came!

The beast laughs with Takagami's voice.

OCHO MUERTE

You can't kill a Takagami that
easily!

RACCOON

Father-san, you were Ocho Muerte
too!?

TAKAGAMI

When you defeated me I trapped
your wife for ETERNITY! A Takagami
could NEVER marry a Geisha!

RACCOON

But Father-san, I loved her!

TAKAGAMI

Then how about a reunion?

Ocho picks up the Raccoon and he drops the sword.

RACCOON

Boys... It's up to you now!

In the second saddest moment in movie history, Ocho Muerte
drops the Raccoon, everyone's favorite character!

RACCOON

Oh--oh noo. Nooooo!

Ocho Muerte swallows the Raccoon whole. Damn. They peek
over the edge of the building.

BLUE

No! Papa-san!

Pink gets grabbed by the tentacles.

PINK (O.S.)

(Screams)

Blue! Help!

BLUE

Pink!

RED
Dude... The sword!

Blue spots the sword as Pink is dragged off. In an epic slow motion scene we see Blue dodge a tentacle.

RED (CONT'D)
Cartwheel dude!

Blue cartwheels and picks up the sword in one motion and slices off the beast's tentacle. Awesome tableau shot. Blue is finally a man. Pink falls onto the edge of the building. The severed tentacle crushes the corner of the building and Blue falls with the sword.

RED
Blue!

Blue falls and Pink peeks over the edge.

PINK
Blue!

Red runs and jumps over catching them both. They fall one story down. Red catches him and the sword, hanging on barely by his feet.

BLUE
Dude I'm slipping! You can't pull me up with just one arm!

RED
But I'll drop the sword!

BLUE
Do it, or you'll drop me!

Red looks Blue in the eye.

RED
Sorry, dude.

BLUE
What!? NOOOOO!

Red drops Blue and he falls for an eternity landing in Ocho Muerte's horrible mouth. He dies a bloody death. Right as he bites down we hard cut to the two of them still on the ledge.

BLUE (CONT'D)
RED! Did you just imagine dropping me!?

RED
Maybe. Ah fuck it.

BLUE
REDDDD!

Red drops Blue and the sword. On the bite we cut back again.

BLUE (CONT'D)
STOP IMAGINING WAYS TO KILL ME AND
PULL ME UP!

RED
Nah!

All three fall in. Screaming. Cut back again.

BLUE
I thought we were actually friends
this time.

Red has an epic internal struggle.

RED
We are.

Red drops the Sword and pulls Blue. The sword spirals down and Takagami screams! The Great Sword of Destiny flies right into Ocho Muerte's mouth and he explodes. Red and Blue cower away.

After a long moment, the smoke clears.

RED
Holy shit... you okay?

BLUE
No way. You?

RED
Nah. Hey man, I'm sorry I've been
such an asshole, I've uh, never
really had a friend before.

BLUE
Really?

RED
Yeah.

BLUE
It's all good man, just stop
pooping in my bed okay?

RED
I never pooped in your bed.

BLUE
I've been pooping in my sleep?

RED
Nah, I'm just messing with you I
poop in your bed... but I won't
anymore.

RACCOON (O.S.)
Ugh...

They hear something that sounds like... the Raccoon?

BLUE
Huh! Papa-san!

They climb onto the roof.

BLUE (CONT'D)
Papa-san?

RED
Raccoon dat you?

Fog clears and the Raccoon lifts his head off the ground.

BLUE
Raccoon...

RACCOON
HOOUUUGGGHHHH... I'm arive?

BLUE
Oooh. We thought you were SUPER
dead.

RED
Surrriously!

RACCOON
Not yet.

A woman coughs. The Raccoon is instantly alert. The Raccoon
looks through the dissipating smoke.

RACCOON (CONT'D)
Mama-san?

The smoke clears, revealing Mama-San on her feet.

MAMA-SAN

Papa-san!

The two raccoons run towards each other and embrace passionately! You've never seen anything weirder in your life.

RACCOON

I thought I lost you forever!

MAMA-SAN

No, my ruv, only for 10,000 years!

They kiss soooooooo good.

RACCOON

I will never lose you again!

BLUE

That's... your wife?

RACCOON

Yes. I could not face my son after destroying Japan and I feared the sword was lost forever. Thanks to your bravery it has been reconstructed and I could finally save my wife.

Raccoon and Mama-san hold paws.

BLUE

Wait, so this whole time we were actually risking our necks for you?

RED

We got trickedddd.

RACCOON

I did trick you into finding the sword for me, but what you found for yourself... was friendship.

BLUE

That's true.

RED

Lame-- uh, yeah yeah.

BLUE

Huh, Pink!

Pink runs out of nowhere.

PINK
Blue!

BLUE
Pink!

The two long-lost lovers hug it out.

PINK
I was so worried about you. I
thought you were dead!

BLUE
You know I'd never miss your
birthday party.

MAMA-SAN
Young lovers... This Sacred Lotus
Flower has kept our love strong
for ten-thousand years... may it
do the same for you.

Mama-san hands Blue the beautiful Lotus Flower. Blue bows.

BLUE
Nintendo.

The Raccoon and Wife-san bow back. Blue hands it to Pink.

PINK
Blue! It's beautiful!

BLUE
I told you I'd get you something
special.

Pink kisses Blue for the first time ever. Yes.

PINK
I love you.

BLUE
I love you too.

RED
I got a boner!

BLUE
Good one.

Blue and Red, best friends, stand next to each other.

RED
Dude, aren't you glad you went on

this quest?

BLUE

Yeah man, I told you I wasn't a pussy!

RED

Pssh! I always knew we could pull it off!

BLUE

Really?

Red raises his hand up.

RED

Well, yeah. Cause we're awesome!!!

They high five. THE high five! For real this time. BOOM! EXPLOSIONS!

THE NED! (_Sp?)
