

We've got all the building blocks for preparing delicious, wholesome, family friendly dinners while raising funds for your daycare.

At SupperWorks, we take the work out of supper. We do the shopping, the washing, the chopping, and the clean-up so you can prepare tasty, wholesome meals without the time, without the hassle, without the mess! In less than 2 hours, you can prepare 12 freezable entrées, each serving 4-6 people! All for less than \$5 per serving! They're so easy and so good!
