

# Following and Fishing

Jesus promised us that if we'll follow him, he will teach us to fish for people.

Has anyone ever taught you: How to connect with people? How to share your story? How to share God's story, the gospel? How to invite someone to read the Bible with you and discover Jesus for themselves?

Following and Fishing will equip you to make disciples among people who are far from God, using simple, reproducing methods.

We run this training in many different settings, and wherever people implement we hear stories of people coming to faith in Jesus and learning to follow him in discipleship.
