

Treatment for: belief of sickness, sin, death,  
belief of lack (of intelligence, dominion, supply, companionship, etc.)  
belief of heredity

**CLAIM WHO YOU REALLY ARE!**

**S&H 475:13 Definition of Man (the dominion man)**

**Man is idea:**

(an idea can't experience inaction, over-action, reaction, friction, fatigue; an image in Mind, the immediate object of understanding, a concept, a thought, a representation of anything in the mind; what God is thinking and knowing about man)

**the image of Love:** What would an image of Love do? How would it look? What would it not be like or do?

**he is not physique:** not made of the flesh – good or bad, fat or thin, old or young

**He is the compound idea of God** (591:5)

**including all right ideas:** right idea of home, of relationships, of supply, of church, of law, substance, of everything needful, of health: spiritual man already includes the right idea

**the generic term for all that reflects God's image and likeness:**

Treatment for: belief of sickness, sin, death,  
belief of lack (of intelligence, dominion, supply, companionship, etc.)  
belief of heredity

**the conscious identity of being as found in Science,**

Ps. 45:13; Ps. 8:5, Pul 3:7

**in which man is the reflection of God, or Mind, and therefore is eternal:**

I Cor. 2:16

**that which has no separate mind from God:**

I Cor 2:16

**that which has not a single quality underived from Deity:**

463:12-13

**that which possesses no life, intelligence, nor creative power of his own,**

John 5:30, John 10:30

**but reflects spiritually all that belongs to his Maker.**

My 5:9
