## Rotherham map and consultation guide

Working together for you

## Rotherham map and consultation guide

Rotherham Metropolitan Borough Council, South Yorkshire Passenger Transport Executive and local bus operators, First South Yorkshire, Stagecoach, Powells and TM Travel, are working together to promote bus services throughout Rotherham and surrounding areas.

Rotherham Bus Partnership aims for bus travel to become the preferred choice of transport and the partners are striving to offer high quality, reliable, convenient and accessible services with value for money fares.

The Partnership has developed the proposed network shown in this map and is inviting you to let us have your opinions during a consultation period from 4 November to 2 December 2013. Your comments are very important to us and will be used to help us plan your bus network before working towards introducing the changes in April 2014.

You can give the Partnership your views by completing a questionnaire at [www.rotherhambuspartnership.co.uk](http://www.rotherhambuspartnership.co.uk) or you can pick up a printed copy of the questionnaire at Dinnington, Meadowhall or Rotherham Travel South Yorkshire Information Centres. If you are sending your completed questionnaire by post, please make sure it will reach us by 2 December.

For further details about the consultation, or for information in a different format, please call 01709 51 51 51 or email [rotherhambuspartnership@syppte.co.uk](mailto:rotherhambuspartnership@syppte.co.uk)

We are working hard to ensure that all public transport is fully accessible to all.
