

Dear S&P Singers,

I hope you're still enjoying your Thanksgiving weekend and this luxurious rain, and excited about our big week ahead!

Attached is the preliminary program. I'll bring a copy tomorrow for editing eyes, but any changes will need to be made right away so that Katherine has time to print them for our concerts next weekend. So if you are the editing type and have a chance to look over the attached copy, that would be helpful.

...

Remember that I'm hoping that each of you will try to get 10 people to attend our December concerts. This isn't a requirement, of course, but it would be wonderful to share this beautiful concert with as many people as possible. I did the Facebook friend invite thing last night. I'll do that again as the weekend approaches and next week. We'll post another e-newsletter a couple days before the concert. Advanced tickets have been selling well. I think the Eastern European theme is enticing audiences - let's keep the ball rolling!

...

We still need some ushers, although we are doing okay on that front. Let me and Katherine know if you have someone for any of the three concerts.

...

Donations for drawing items for our concerts gratefully accepted! Check your gift box to see if you have something that would be nice to offer!

...

Remember that we will both have a reception after the Sat 12/6 Alameda concert and will have a party/potluck/caroling stroll at Gretchen's house in SF after the Sun 12/7 concert.

...

Tomorrow's rehearsal (Mon Dec 1) will be 7-10 PM (not 7:30) at First Presbyterian Church in Alameda: 2001 Santa Clara Ave (at Chestnut), Alameda. Please bring your music for the Feb concert in case we have time.
