## 2017 World to the Wise Cultural Tours

### Italy, Paris, Amsterdam! and London

**Mission statement:** to broaden our perspective and deepen our understanding of the world we live in by discovering the peoples, cultures and histories of other lands.

#### REVISED! SUMMER 2017 dates

Italy	May 31 – June 8 (depart US on Tuesday, May 30)
Paris	June 8 – 13 (*depart US on Friday, June 7)
Amsterdam	June 13 – 16 (*depart US on Wednesday, June 12)
London	June 16 – 21 (return to US on Wednesday, June 21)

We will begin in Rome and end up in **London**. We promise you won't forget this trek through **four** of the most enchanting countries in Europe!

**ITALY** – Who hasn't dreamed of roaming the Tuscan countryside, marveling at Michelangelo's *David*, the famous Duomo (cathedral) and the other treasures of Florence, the cradle of the Renaissance? Or relaxing on a Roman terrazzo, imagining the days of the gladiators while standing in the Coliseum, and gazing up at the *Creation of Adam* in the Sistine Chapel? Or sampling a different gelato flavor every day? Or making such fast friends with the Italians that you won't want to leave?

#### Eight days in Italy

**PARIS** – Often called the Pearl of Europe and the City of Lights, this gem has probably inspired more songs and literature than any other city. Notre Dame Cathedral, the Eiffel Tower, and Musée d'Orsay, Montmartre with its sidewalk artists, the Arc de Triomphe and Champs Elysées...not to mention the obligatory sidewalk cafés, croissants, pastries, baguettes, cheese... (Oops, got a little side-tracked there....) We'll include a day trip to Monet's house and gardens in Giverny. And we think you'll be surprised by the openness and friendliness of the French!

#### Four full days in Paris plus a travel day

**AMSTERDAM** – One of the most charming cities in all of Europe, Amsterdam has a character all its own. Take a boat ride on the city's intricate canal system while admiring the quaint elegance of the 17th and 18th century houses. Visit the home of the intrepid Anne Frank or take in the works of Vincent van Gogh or the renowned Dutch Masters. Then get away from the city on a bike ride through the polders, the land famously reclaimed from the

sea by Dutch ingenuity. And discover the meaning of "gezelligheid" or coziness to the max. **Two full days plus a travel day.**

**LONDON** – Many Americans have the feeling of coming home when they discover this land that is the mother country to many of our ancestors. Buckingham Palace, the Tower of London and the Tower Bridge, Westminster Abbey, Big Ben, St. Paul's Cathedral, the Globe Theatre, Notting Hill, the Tube, the River Thames, cream tea, shortbread, homes of some of English literature's greats, and an unforgettable day trip to Oxford, including a meal at the pub where Lewis, Tolkien and the other Inklings spent so many hours!

#### Four full days plus a travel day.
