

Celebration of the History of Science in our Region

Forum Timetable

	THURSDAY	December 13th
8.30	registration and coffee/tea	
9:15-9:30	Welcome to the Forum & intro to the Atlas of Life project	Michael Green & Libby Hepburn
9:30-10:00	Great Natural Experiments: Following Where Nature Leads <i>Prof. Harry.F Recher</i>	
	Q & A	& next intro
10:10-10:40	Early hydrological, water quality and erosion studies in the forests of southeast NSW – an overview <i>Steve Mackay Msc</i>	
	Q & A	& next Intro
10:50-11:20	Morning Tea with Images of the South East Forest	
11:20-11:50	Time and Birds Remain - We Fly Through <i>Dr James Shields</i>	
	Q & A	& next intro
12:00-12:30	Some places are better than others..... <i>Dr Rod Kavanagh</i>	
	Q & A	& Summary
12:40-12:50	Housekeeping, Field Trip Information	
12:50-13:35	Lunch	
13:35-13:45	Sounds & Sites of the South East Forest & next intro	
13:45-14:15	The Yambulla catchment project '77 - '83 sediment transport - Measuring how the earth moves <i>Steve Mackay Msc</i>	
14:55-15:35	Rats, bats and koalas: understanding and managing the fauna of the Eden region <i>Dr Dan Lunney</i>	
	Q & A	& next intro
15:45-16:15	Afternoon Tea with images of People and Stories of the South East Forests	
16:15-17:00	Summary - Plenary <i>Led by Jo Thorpe</i>	

	Friday	December 14th
8.45	coffee/tea	
9:10-9:20	Welcome to the Forum & intro to Forum Day 2	& intro to first Speaker
9:15-9:45	Montagu Island - over 50 years of Seabird Research data <i>Dr Peter Fullagar, Mike Crowley Msc</i>	
	Q & A	& next intro
9:55-10:25	Travelling Macroalgae on the Far South Coast ? <i>Dr Alan Millar</i>	
	Q & A	& next Intro
10:35-11:05	Morning Tea	
11:05-11:35	The Wonders of Seaworms - a personal perspective	<i>Dr Pat Hutchings</i>
	Q & A	
	Forum Dinner details,	
12:00-13:15	Lunch <i>including Sites and Sights of the Far South Coast & next intro</i>	
	<i>Building on historic achievements - science developing now and in future</i>	
13:15-13:45	From Science to Sustainability - identifying and Fitting the Pieces to Build this Living Jig-saw how research has progressed <i>Prof. Joe Baker</i>	
	Q & A	& next intro
13:55-14:25	The Atlas of Life & community naturalists - what we can do.....and what we can't <i>Doug Reckord, Libby Hepburn</i>	
14:25-14:55	Afternoon Tea <i>images of People and Stories of the Far South Coast</i>	
	Q & A	& next intro
13:05 - 16:05	Where to from here? - How can Community add real value to Scientific Knowledge and natural resource conservation <i>Plenary</i> <i>Doug Reckord</i>	
16:10	Thank yous & close	
18:30- 22:00	Celebration Dinner - RSL Club <i>After Dinner Speaker -Prof. Harry F Recher</i>
