

## Piano Maestro Technical Tips for Parents

1) Download Piano Maestro from the App Store.

When you open it for the first time, be sure to register as a parent.  
Use the email you gave me for your invitation.

2) Once you register, you may want to go to Settings to turn off the theme music.

3) Note that you must have an Internet connection the first time you play a song in order to download the background accompaniment. Thereafter the background music is stored on the device.

4) The app works best if you force close other applications.

5) Troubleshooting

- \*Be sure you have updated to latest version of app

- \*Force close and restart

- \*In Settings, turn off high quality graphics

- \*In My Account/Support click *Reset Music Sense Engine*

- \*Reboot iPad

- \*Delete and Reinstall App (you'll lose all background accompaniments)

- \*Buy a new iPad
