

Tanzanear Appeal

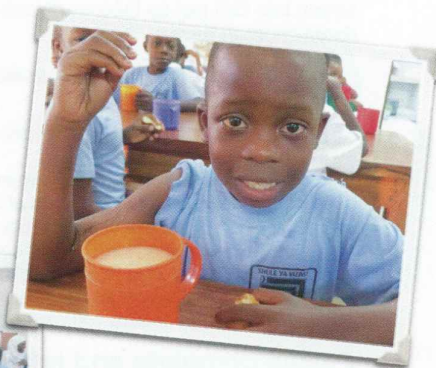

The **Tanzanear Appeal for 2015** is to continue the popular **Buguruni Breakfast Club** and give all the children some healthy porridge, fruit or eggs first thing in the morning. We have been overwhelmed by the success of the club which has run every single day throughout 2014 and we are grateful to everyone who has supported

The children at Buguruni School for the Deaf get up at 5am and without breakfast would not eat until Chai at 10am. Thanks to the Breakfast Club, we and the teachers, have seen a real improvement in the children's energy levels and they are better nourished too.

A donation of **£20 or 55,000 Tanzanian Shillings** will provide the **entire school with breakfast for one day**; so why not sponsor a specific day (maybe your birthday or a Saint's Day) and know that on that day the children at the school are getting what we take for granted.

On behalf of everyone at Buguruni School for the Deaf,

Asante sana, thank you
