The readings today emphasize the healing power of Jesus during His ministry as he continues His work among the people of His day as well as throughout history. We sing of this in the hymns, whether healing is of a physical, mental or spiritual nature. We are called to be poor in spirit, as the text of the Communion Hymn states. As we are well aware, this quality, to be "por in spirit" is a difficult trait to achieve. Today the world needs healing and love more than ever, to overcome the evils which seem to be running rampant and unchecked at every turn. Only Almighty God can effect such blessings upon the world and we must constantly pray for his blessings and healing love.

Prayer is also needed for our country and all of the nations as we celebrate Independence Day on Wednesday of this week. The Processional Hymn is called "the National Hymn" because it has a special significance and is heard at official ceremonies and holidays pertaining to our country. And the Recessional Hymn is the beloved hymn which asks God to bless and "mend our nation's every flaw". **Have a happy 4th of July to all!**

Next weekend will be a "Piano Sunday" when our wonderful grand piano will be used exclusively suring our liturgies. The Soloist Quartet will also sing.

Comment: "I urge you to read this book—and learn from a true master of the spiritual life. It is the most mature and accessible work of one of the greatest spiritual theologians of all time. His teaching formed saints, including John Paul II, who went to Rome to do his doctoral studies under this brilliant and beloved teacher." - Dr. Scott Hahn

Hope Appeal 2018
"We Are Called to Serve"

Holy Cross has always been the leader in this campaign.

Last year our goal was \$123,004 and you contributed \$280,566. Because of your great generosity, Holy Cross received 1/2 of the overage or \$78,781 which went to the parish programs of Evangelization, IT, Youth and Young Adult Ministry.

This year our goal is \$119,097. I am asking you to consider a pledge of \$310 per family or 85¢ a day—less than a bottle of water and we can change lives and bring hope to thousands of needy in our diocese.

If you have not yet responded to the HOPE Appeal, we ask that you prayerfully consider making a gift to help support the needs of our diocese.

Thank you to our generous parishioners who have made a pledge to the Annual HOPE Appeal.

God bless you all.

A Family Perspective

The healing of the woman and the child in today's gospel is a reminder we are all wounded. We retreat to those we love looking for acceptance, listening, understanding and support. Families must be healing communities where Jesus is present in our care for one another.
