

GREEN TUESDAYS IN THE VILLAGE

GREEN DAYS OF FUTURE PAST

OAK PARK PUBLIC LIBRARY 834 LAKE STREET 7:00 – 8:30PM

Sponsored by: **Oak Park Environment and Energy Commission**
For additional information, contact Karen Rozmus at rozmus@oak-park.us

Green Tuesdays in the Village is an annual public lecture series on various environmental topics and issues specifically relevant to the Village of Oak Park. Started in 2006, this is the 8th annual event.

This year's theme, **Green Days of Future Past**, is a timeline account of community and household practices and activities in the Village of Oak Park from the past, present and beyond ... where have we been, where we are now, and where are we headed?
