## Garden City Spring Swing!

On **Sunday, April 22, 2018**, **baseball and softball players** from the **GCAA Challenger Program and Garden City High School Teams** came together to share their love of baseball at this annual game.

This community-building event founded and organized by local residents Patrick Murtagh and Andrew Nagel took place as a part of Global Youth Service Day. Established in 1988, Global Youth Service Day (GYSD) celebrates and mobilizes the millions of young people who improve their communities through service.

Garden City Spring Swing would not be possible without the efforts of everyone involved. **Our sincere appreciation goes out to all the coaches and volunteers that made this day so special!** Thank you! The weather was picture perfect and a great time was had by all!
