## "Artificial Water Fluoridation is a Threat to Public Health"

Concerned Residents of Peel to End Fluoridation will be sponsoring a series of **prominent guest speakers in 2016. Erin Brockovich, Environmentalist/Consumer Advocate, Lois Gibbs, Hero and Nobel Prize Nominee and Civil Rights Leaders** have joined the movement by publicly stating their opposition to fluoridation which will be instrumental in the launch of our **Fundraising Campaign....**

**PLEASE PLAN TO ATTEND THIS VERY IMPORTANT BRIEFING.**

**Prominent lawyer, Nader Hasan** will present important findings and arguments on why **artificial water fluoridation is unconstitutional and illegal.**

Also, you will hear from world renowned experts

**Dr. Paul Connett PhD and Dr. Hardy Limeback BSc PhD DDS.**

There's a growing movement of citizens working tirelessly to end artificial water fluoridation in the Region of Peel and Worldwide due to the addition of a chemical contaminant called **"Hydrofluorosilicic Acid" aka HFSA** which is a **known neurotoxin.**
