

The Family Giving Campaign is all about participation. We need every parent to help out in any way that they can. Here are some ways that you can help. Check any box with which you'd like to help or about which you want more information:

I'd like to be a Class Captain

I'd like to be one of the parents who help encourage families in their child's class to participate in the campaign. (To simply learn more about what this entails, please check the box!)

I'd like to help with Family Giving Campaign Call Night

(tentative: Wed., October 26th at 6:00 pm)

I'd like to join the team of parents who get together for one night to call every family in the school. Dinner and drinks are provided and it is a great chance to meet and get together with a lot of other Driscoll parents. Don't worry, we'll train you, and give you a script!

I'd like to be a Class or Grade Challenge Donor

I would like to be a challenge donor for my child's class. I will commit to donate a certain amount per participating family. With this arrangement, my donation will serve as a multiplier and make every donation that much more important. Challenge donors generally pledge between \$50-\$100 per child (and sometimes bundle as a group of friends to get to this amount). At a \$50 per child commitment and 100% participation, your gift would amount to \$1,100 with 22 children in the class.

I'd like to help with thank you note writing

I can come to the school or write notes from home.

I'd like to help with corporate matching

I'd like to research companies around the area and find out which companies match gifts—and then remind parents to check with their employer.

I can't come to the school to help, but I'd love to help from home

Count on me for administrative tasks I can do from home, on my computer or over the phone, and after the kids go to bed. I can work on mailings or call lists.

Name _____

Best way to contact me (phone/email): _____

Student's name _____

Student's Class: _____
