VOLUME 5, ISSUE 3

SPRING 2018

## LWVKY Releases Redistricting Report

By **CINDY HEINE**

It is not too early to prepare for the state's redistricting efforts in 2022 after the 2020 census data has been released. In order to raise awareness and begin conversations about this issue, the Kentucky League issued a report on Feb. 14, *Redistricting Kentucky: A Guidebook for Citizen Participation*, defining the redistricting process and why it is an important issue for Kentucky.

It also lays out the national League of Women Voters' recommendations, how other states do their redistricting and makes recommendations for Kentucky and for its citizens in working to ensure a fair and open process.

We want to extend a special thanks to education analyst Susan Perkins Weston of Danville, a new at-large League member, who did yeoman's work on preparing this report.

Key recommendations include:

- creation of an independent redistricting commission

- developing a more transparent redistrict process. Improving Kentucky's redistricting will be a four-year Kentucky League effort, culminating with the new redistricting decisions scheduled to be made in 2022.

Over those years, the League will work with others interested in this issue. Members will press to **(Cont'd on p. 3)**

## State Council to Be in Lexington

By **BONNIE LYNCH**

You won't want to miss this year's Council of the League of Women Voters of Kentucky in Lexington, Friday, April 13, and Saturday, April 14.

Delegates will be voting on bylaws amendments, budgets, and directors. We'll hear invited speakers talk about 'voter fraud,' Russia and our voting machines and

voter access. We will also learn about child trafficking. But, best of all, it's a chance for League members from across our state to meet in person and share memories and ideas!

You can find needed Council information on pages 6-9. And we've made it easy for you to register with a handout in the middle of this newsletter.

See you there!

# President's Message

**By BONNIE LYNCH**

*Courage allows the successful woman to fail—and to learn powerful lessons from the failure—so that in the end, she didn't fail at all.*

—Maya Angelou

It is a great time to be a woman and an even greater time to be a member of the League of Women Voters of Kentucky!

Every committee is working diligently writing

letters, contacting legislators and the governor's office, suggesting tax reform changes, making appointments with stakeholders and making plans to attend State Council in April. And Louisville members Joan Lindop, Dot Ridings and Fran Wagner, spoke to a delegation of women from the Ukraine in February.

Many thanks to the generosity of our mem-

bers! We raised \$1,670 in our fall campaign.

State Council will be hosted by the Lexington LWV. Don't miss Friday evening's speaker, Don Blevins Jr. Fayette County Clerk on vote fraud and Allyson Cox Taylor on child trafficking on Saturday.

I encourage all League members to attend both days! The opportunity to make necessary changes is NOW!

President Wanda  
"Bonnie" Lynch

## Support Automatic Voter Registration Act of 2017

U.S. Senator Patrick Leahy (D-VT) and Representative Robert Brady (D-PA) introduced the Automatic Voter Registration Act of 2017 last June.

The League of Women Voters is proud to support legislation that enhances access for eligible voters in our elections and works to modernize our electoral system. This bill will improve the accuracy of voter records, cut down on costs, modernize outdated registration systems while supporting implementation in states across the country.

The League is a leader in voter registration efforts across the country. Expanding voter registra-

tion has been a principal goal of the League since its founding in the wake of the passage in 1920 of the 19th Amendment, which gave women the right to vote.

We are proud to see Congress embracing new technology that expands access to the ballot while

still taking the necessary safeguards to secure personal information.

The League fully supports this bill and urges all members of the U.S. Senate and House of Representatives to support this important legislation.

# LWV of Kentucky Releases Redistricting Report

**(Cont'd from p. 1)**

Inform the public, make specific proposals to legislators, and participate in discussions across the state about how best to do this important work.

At the time of this writing, state Representative James Kay has filed [HB 548](#) and Senator Dennis Parrott has filed [SB 166](#), bills that would create commissions to improve the redistricting process. We are working to identify bipartisan support for such legislation and will work through the interim on a bipartisan bill. Be sure to talk with friends, neighbors and elected officials about this issue.

## Special Thanks To Terry & Nita

The state board highly commended Dr. Terry Naydan and Nita Smith for 10 years of service as legislative liaisons as they retire from this job. They have organized Lobby Day each year, monitored legislation and have been our voice and presence in Frankfort. Thanks to both for their dedication to the League!

# League Day at the Capitol

By **NITA SMITH** and **TERRY NAYDAN**

We had our yearly Lobby Day at the Capitol on Feb. 14. Thirty-four League members spent part of the day visiting with their own representatives or observing Committee meetings.

We later had our more formal meeting in Room 125 where we heard from guest speakers. Lawyer Jared Smith spoke about running a campaign for office. Dr. Sheila Schuster, head of the Kentucky Mental Health Coalition, spoke about the budget and the idea of raising the tax on cigarettes.

Legislators Reggie Thomas (D), Ruth Ann Palumbo (D) and Walker Thomas (R) dropped by to speak to us about bills in which they were interested.

League of Women Voters members from Hopkinsville, Louisville, Bell County, Richmond Danville and Lexington descended on Frankfort for League Day at the Capitol on Feb. 14.

Photo by Judy Johnson

Richard Beliles, chairman of Common Cause, spoke to us about League concerns. Thanks to all of them for sharing their expertise with us.

At one o'clock 40 students from Eastern Kentucky University attended our press conference on Redistricting in Kentucky presented by

state League President Bonnie Lynch and members Cindy Heine and Susan Weston. Our New Redistricting Report was distributed to the press.

All in all, it was an exciting and worthwhile day for all who attended.

# Women's Equality Day for 2018

By **MARSHA WEINSTEIN**

In honor of the Aug. 26, 2020, centennial celebration of woman's suffrage in the United States, there are many exciting activities currently being planned both nationally and in Kentucky. Be part of this historic event by becoming informed of the opportunities to participate and then volunteering to help make them become a reality.

The League of Women Voters of Louisville is partnering with the Frazier History Museum to celebrate the centennial.

The first co-sponsored event was the 2017 Women's Equality Day program. The next Women's Equality Day event is planned for Aug. 25, 2018, at the Frazier. Speakers included Kentucky Secretary of State Allison Lundergan Grimes.

Additionally, the Frazier is planning a Kentucky Women's Suffrage Exhibit that will open in 2020. Joint efforts are also underway to sponsor a Suffrage Parade as part of the 2020 Kentucky Derby.

**Marsha Weinstein, longtime League member and Louisville League past president, will be leading a suffrage walk on March 31.**

**Kentucky Secretary of State Allison Lundergan Grimes was among the many speakers at the 2017 Women's Equality Day event, co-sponsored by the League of Women Voters of Louisville and the Frazier History Museum.**

The Louisville LWV is working with Sarah Stivers, a professional singer and producer, to create a Suffrage Flash Mob with the goal of registering people to vote.

Upon the request of Spalding University, Marsha Weinstein is going to lead a Louisville Suffrage Walking Tour on Saturday, March 31. It starts at 1 p.m. at the **Cont. on pg 5.**

**Con't from pg 4.**

Huff Gallery at Spalding University, 853 Library Lane. It is free and open to the public.

In order to educate the public on the history of woman's suffrage in Kentucky, University of Kentucky Professor Dr. Randolph Hollingsworth created the Kentucky Woman's Suffrage Project website. It includes biographical sketches of Kentucky suffrage leaders, teaching resources, suffrage timeline, blog and the Kentucky Votes for Women Trail.

<https://networks.h-net.org/kywomansuffrage>

On the national level, several organizations are actively engaged in activities to celebrate the centennial. The National Collaborative for Women's History Sites has a National Votes for Women Trail which is documenting the historic sites where the suffrage movement took place.

The audience listens attentively at the 2017 Women's Equality Day program at the Frazier History Museum in Louisville. The museum will also host the 2018 program in August.

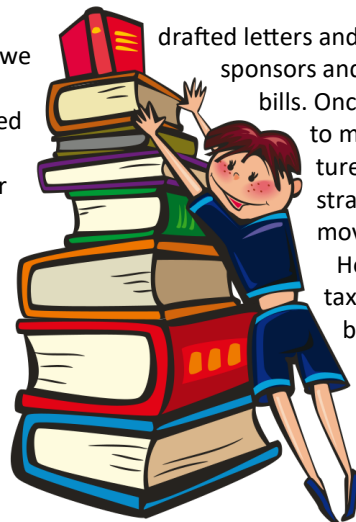

## *Ed. Committee Follows KYGA18*

**By CAROL O'REILLY**

At our 2017 Convention, we decided to ask League of Women Voters of the United States to concur with New Mexico and Florida on their charter school positions.

Communication with LWVUS made it clear that they believe education issues are a state concern and not pressing enough at this point to warrant consideration at Convention. We may send a letter to Leagues in both New Mexico and Florida telling them we agree with their positions and inform them of our adoption of the Annenberg Rules.

On the charter school front, Governor Bevin has noted that there is no money to ensure a charter school funding formula this fiscal year. As the 2018 KY Legislative Session proceeds, the Ed Committee was concerned about early proposed legislation (HB 134 and SB 36) that sought separate income-tax credit for tuition assistance for private schools. We

drafted letters and sent them to the sponsors and co-sponsors of both bills. Once it became apparent to members of the Legislature that KY is in dire fiscal straights, neither bill has moved.

However, this issue of tax credits has come up before and will, no doubt, come up again. Of considerable interest to school districts is the proposed cuts to transportation budgets. As noted by Brigitte Blom Ramsey, executive director of the Prichard Committee, such cuts "could disproportionately affect poor and rural school districts."

Finally, Governor Bevin has suggested that school districts look to their "rainy day" funds to cover expenses. Once again this places already poor and struggling districts at a disadvantage and others in a position to dip below the 2 percent legislated amount in those funds.
