ENVIRO JOBS

Our duties are to ensure the grounds of race and spectator areas are clean of debris and garbage left behind from racers and general public.

BIKE COURSE: A car or scooters are required with 2 people per vehicle (driver and passenger to pick up garbage on the road between Callaghan to Whistler and Whistler to Pemberton Meadows (FIRST AID stations are responsible for their own garbage)

The bike course could be broken up into sections. Callaghan to Whistler / Whistler to Pemberton and someone could do the Meadows on their bike with a trailer or car? We are open to solutions

RUN COURSE: Driving the golf carts around the course ensuring all garbage is picked up and bins are emptied. (FIRST AID stations are responsible for their own garbage)
