*United States*

- A national nonprofit organization, the *SS United States Conservancy* leads the global effort to save and repurpose the *SS United States*.
- The Conservancy raises public awareness and financial resources for the maintenance, restoration and ultimate reuse of America's Flagship and works to ensure that the fastest ocean liner ever to cross the Atlantic remains an inspiration for generations to come.

## ***SS United States***

The *SS United States* is:

- The largest passenger vessel ever built in the U.S.
- The fastest ocean liner in history
- The only great American liner still afloat
- Currently moored in Philadelphia

## **SS United States**

The SS *United States* is:

- **Fast** - *The ship smashed the transatlantic speed record on her maiden voyage using only two-thirds of her power, a record she still holds.*
- **Tough** - *The former Cold War weapon could transport 14,000 troops 10,000 miles without refueling in times of war.*
- **Safe** - *Before the jet age, she ferried world leaders, stars of stage and screen, tourists and immigrants on 400 incident-free voyages.*

## ***SS United States***

### *The SS United States:*

- Was a premier example of mid-century modern design, with celebrated interiors, furnishings and artwork.
- Is widely considered the pinnacle of post-war maritime technology and design.
- Designed for stability, strength; and was completely fireproof.

*As her designer liked to say, "You can't set her on fire, you can't sink her, and you can't catch her."*

## ***SS United States Legacy Cruise***

The SS United States Conservancy is pleased to announce an unforgettable cruising opportunity and a chance to support the preservation of the *SS United States* and support the SS United States Conservancy's growing curatorial collections.

While we wish we could all set sail together aboard America's Flagship, the Pollin Group and the Conservancy have partnered to offer the next best thing:

- ★ A 7-night cruise sailing in May, 2018 from Cape Liberty (Bayonne), New Jersey to Bermuda aboard the *Celebrity Summit*.
