

# 31

# Ways to Save Money

MONTH: \_\_\_\_\_

Buy store brand items instead of name brands	Create a \$5 savings jar	Call your cable provider to see if they can lower your bill	Make your own laundry detergent	Pack your lunch	Check your monthly bills for mistakes	Meal Plan
Avoid paying out of network ATM fees	Add \$5 to your jar	Sell unwanted items	Skip bottled water & use a refillable bottle	Make a budget	Pay monthly bills on time to avoid late fees	Use a rewards card
Use a prepaid phone instead of paying monthly	Replace all filters in your home	Wash your laundry in cold water	Recycle for cash	Use coupons & only shop sales	Add money into your savings account	Call to lower your credit card rate
Eat leftovers	Add \$5 to your jar	Pay bills online to save on stamps & envelopes	Use a cash back website when shopping online	Plan a night at home instead of going out	Use a shopping list when buying groceries	Avoid convenient stores
Clean your house with vinegar	Make your own gifts instead of purchasing new	Buy in bulk to maximize your savings
