Below is a list of amendments placed on the IQA Rulebook 2016-2018 by Quidditch Australia for the 2017 season within Australia.

1. Mouthguards are not mandatory. This is a continuation of our policy from last year, where mouthguards were highly encouraged but not deemed mandatory.

Rulebook change: 2.5.2.F is deleted.

2. The 12 max gender rule is not applied. We will not force teams to exclude players due to their gender.

Rulebook change: 7.1.1.B is deleted, 7.1.1.C will continue to be referred to as such in order to avoid confusion.
