ALL SABLE RIVER VALLEY

STUDIO TOUR

Welcome to the 1st Annual Au Sable River Valley Studio Tour!

Building upon the enthusiasm of the former Jay Studio Tour of the 1990s and 2000s, Norte Maar in collaboration with the Jay Craft Center, Young's Studio & Gallery and Jackie Sabourin's Stoneledge Pottery, present the Au Sable River Valley Studio Tour! This free self-guided tour features over twenty artist studios and art spaces offering a diverse range of the creative arts from artists living and working in the townships of the Au Sable River Valley.

Ever curious about how an artist paints a picture or a sculptor carves a statue, a potter throws a pot or a craftsman designs furniture? This exciting new studio tour will offer you an insider look at the creative experience.

Special thanks to our lead sponsors which include Town of Jay and Ward Lumber with media sponsorship from Studley Printing / Lake Champlain Weekly. Be sure to visit all our sponsors who make living in the Adirondacks that much more special!
