Dance Listings for Aug. 14-20

AUG. 13, 2015

Dance at Socrates (Saturday) Because dance is, in many ways, human sculpture in motion, it's very much at home in Socrates Sculpture Park. This annual dance series, produced by the arts organization Norte Maar, welcomes 10 companies throughout August to create new work at this East River waterfront park. Following weeklong residencies (which are open to the public), audiences are invited to witness the results. Week 2 artists are RudduR Dance, Gierre Godley, L & K Dance and Jenni Hong Dance. (Continues on Aug. 22.) At 4 p.m., Long Island City, Queens, 718-956-1819, socratessculpturepark.org; free. (Schaefer)
